2. SAFETY WARNINGS

Attention: This desk requires assembly. Please follow all instructions carefully and use appropriate tools. Ensure the desk is fully assembled and stable before placing any items on it or using it. Failure to do so may result in injury or damage to the product.

- Always assemble the desk on a soft, clean surface to prevent scratches.
- It is recommended that two adults assemble this product.
- Do not overtighten screws, as this may damage the material.
- Keep small parts and packaging materials away from children.
- Verify all components are present before beginning assembly.

3. SETUP AND ASSEMBLY INSTRUCTIONS

Please review all steps before beginning assembly. Ensure you have sufficient space and the necessary tools (e.g., screwdriver, hammer).

3.1 Component Identification

Unpack all components and identify them against the parts list provided in your packaging. Familiarize yourself with the different panels and hardware.

3.2 Main Desk Assembly

1. Begin by assembling the main desk frame according to the provided diagrams. Attach the side panels to the main desktop using the designated hardware.
2. Secure the back panel to enhance stability.
3. Install the elevated monitor shelf onto the main desktop. Ensure it is securely fastened.

3.3 Storage Unit Assembly and Placement

The additional storage unit can be mounted on either the left or right side of the main desk, offering flexibility to suit your space and preference.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting

The integrated LED lighting is powered via a USB connection. Once connected, use the provided remote control to turn the lights on/off and change colors. Refer to the remote control's specific instructions for detailed functionality.

4.2 Headphone and Cup Holder

The detachable headphone and cup holders can be positioned as desired along the desk edge. Ensure they are securely clamped before use to prevent items from falling.

5. MAINTENANCE

5.1 Cleaning

To clean the desk surfaces, use a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish. Wipe spills immediately.

5.2 Stability Check

Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain the desk's stability.

6. TROUBLESHOOTING

6.1 LED Lights Not Working

- Ensure the USB cable is securely connected to a functioning USB power source.
- Check the remote control battery and replace if necessary.
- Verify the LED strip is correctly seated in its channel.

6.2 Desk Instability

- Check all assembly screws and tighten any that are loose.
- Ensure the desk is placed on a level surface.
- Verify that all components are correctly assembled according to the instructions.
