SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always ensure the chair is fully opened and locked before use.
- Do not attempt to fold or adjust the backrest while in use.
- Never exceed the maximum weight capacity of **198 lbs (90 kg)**.
- Keep the chair on a stable, flat surface to prevent tipping.
- Always follow the assembly instructions carefully to ensure the chair is properly set up.

PRODUCT FEATURES

- **Double The Relaxation:** This unit functions as both a floor sofa and a floor sofa bed, offering versatile seating and sleeping options.

- **Adjustable Comfort:** The backrest features five levels of adjustment, ranging from 105° to 180°, allowing for various positions from upright seating to a fully flat bed.
- **All-Day Comfort with 2 Pillows:** High-density foam padding provides a comfortable experience. Two included pillows offer additional support. The breathable linen surface is suitable for year-round use and is easy to clean.
- **Stable & Space-Saving:** Constructed with a steel frame for stability and support. When folded, it transforms into a compact chair that can be stored vertically, optimizing space in smaller areas.

SETUP & OPERATION

The HOMCOM Convertible Flip Chair requires minimal setup and is designed for easy transformation between its various modes.

Converting to a Sofa Bed (Lounge/Bed Mode)

1. To convert from chair to lounge or bed, gently push the backrest forward until you hear a click.
2. Continue pushing the backrest forward until it fully releases and lays flat.
3. Extend the seat section outwards to form the full bed or lounge.
4. Adjust the backrest to your desired angle by lifting it up and letting it click into one of the five available positions.

Converting to a Chair

1. From the bed or lounge position, fold the extended seat section back towards the main body of the chair.
2. Lift the backrest all the way up until it clicks into the fully upright position.

3. Gently push the backrest forward and then allow it to fold back into the compact chair position.

MAINTENANCE

To maintain the appearance and longevity of your HOMCOM Convertible Flip Chair:

- **Cleaning:** Wipe clean with a dry cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **General Care:** Periodically check all moving parts and connections to ensure they are secure.
- **Fabric Care:** The breathable linen surface is designed for easy cleaning and maintenance.

TROUBLESHOOTING

If you encounter any issues with your convertible flip chair, please refer to the following common solutions:

- **Chair not locking into position:** Ensure the backrest is pushed fully forward until it clicks into the desired angle or fully flat before releasing.
- **Difficulty converting between modes:** Check for any obstructions or debris in the folding mechanisms. Ensure the chair is on a flat, stable surface.
- **Unstable seating:** Verify that the chair is fully extended or folded into its intended position and that all sections are securely engaged. Do not exceed the maximum weight capacity.
