PROHEAR PROHEAR 037-ORANGE

PROHEAR 037 Bluetooth 5.3 Hearing Protection Headphones User Manual

Brand: PROHEAR | Model: PROHEAR 037-ORANGE

INTRODUCTION

The PROHEAR 037 Bluetooth 5.3 Hearing Protection Headphones are designed to provide superior hearing protection while allowing seamless audio streaming and communication. Featuring a 30dB SNR (Single Number Rating) for effective noise reduction, these ear muffs are ideal for environments such as mowing, workshops, and snowblowing. Equipped with a rechargeable 1500mAh battery, they offer extended playtime and convenience.

KEY FEATURES

- **Extremely Smooth Bluetooth 5.3 Technology:** Offers a smoother, faster, and more stable connection with a wireless range of up to 80ft.
- **Both Entertainment and Hearing Protection:** Provides 30dB SNR noise reduction and stereo sound quality for an immersive audio experience.
- **Long Battery Life:** Built-in 1500mAh lithium battery provides up to 120 hours of playtime.
- **Work Safely and Comfortably:** Ideal for building, lawn mowing, woodworking, and landscaping. Features a comfortable headband and soft breathable ear pads for prolonged wear.
- **Easy-to-Use Controls:** Raised buttons allow for easy volume adjustment, song switching, and call management without removing the muffs.

	RANGE	CONNECT	SOUND	PLAY TIME	VOICE ASSIST
BT5.3	80ft	3s	Stereo	120H+	Siri
BT4.0	35ft	10s	Imbalanced	30H-	/

Figure 4: Charging port and battery indicators.

Bluetooth Pairing

1. Ensure the headphones are charged.
2. Press and hold the Power Button (U) on the ear muff until the LED indicator flashes blue, indicating pairing mode.
3. On your mobile device, enable Bluetooth and search for available devices.
4. Select "PROHEAR 037" from the list to connect. The LED indicator will turn solid blue once successfully paired.

MAINTENANCE

Cleaning and Care

To ensure the longevity and performance of your PROHEAR 037 headphones, regularly wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials. Store them in the provided black leather bag to prevent dust accumulation and damage.

Ear Pad Replacement

The PROHEAR 037 features a "snap-in design" for its ear pads, allowing for easy maintenance and replacement.

If ear pads become worn or damaged, they can be easily removed and new ones snapped into place.

Figure 8: Snap-in ear pad design for easy replacement.

TROUBLESHOOTING

Common Issues

- **No Power:** Ensure the headphones are fully charged. Connect to a power source and check the LED indicator.
- **No Sound:** Check the volume level on both the headphones and your connected device. Ensure the headphones are properly paired via Bluetooth or the 3.5mm audio cable is securely connected.
- **Pairing Issues:** Make sure the headphones are in pairing mode (flashing blue LED). Turn off and on Bluetooth on your device, then try pairing again. Ensure no other devices are actively connected to the headphones.
- **Poor Sound Quality:** Check the distance between the headphones and your device (wireless range is 80ft). Ensure there are no obstructions causing interference.

SPECIFICATIONS

Feature	Detail
Manufacturer	PROHEAR
Part Number	PROHERA
