# Cecotec PureAroma 550 Connected Aroma Diffuser

Model: 05648 | Brand: Cecotec

## 1. INTRODUCTION

---

Thank you for choosing the Cecotec PureAroma 550 Connected Aroma Diffuser. This device combines aromatherapy, humidification, and a Bluetooth speaker to create a pleasant and relaxing atmosphere in your home or office. With its large capacity, LED display, and smart app control, it offers a versatile and convenient user experience.

Please read this manual carefully before using the product to ensure proper operation, maintenance, and safety.

## 2. SAFETY INSTRUCTIONS

---

- Always place the diffuser on a stable, flat, and water-resistant surface.
- Do not place the diffuser near heat sources, direct sunlight, or in areas with high humidity.
- Keep out of reach of children and pets.
- Use only clean tap water or distilled water. Do not exceed the maximum water level indicated.
- Only use 100% pure, natural essential oils. Do not use corrosive liquids or chemicals.
- Unplug the device from the power outlet before filling, emptying, or cleaning.
- Do not immerse the device, power cord, or plug in water or any other liquid.
- If the device is damaged, do not operate it. Contact customer support.
- Do not block the mist outlet.
- Ensure the lid is properly secured before operating.

## 3. PRODUCT FEATURES

---

- **Large Capacity:** 500 ml water tank for extended operation without frequent refills.
- **Wide Coverage:** Effective humidification and aroma diffusion for areas up to 30 m².
- **Aromatherapy:** Ideal for essential oils with a vapor flow of 25 ml/h, promoting relaxation.
- **Smart Control:** Control all functions and settings via a dedicated smartphone application.
- **Integrated Speaker:** Play your favorite music or audio via the built-in Bluetooth speaker.

- **LED Display:** Shows time and allows setting alarms, modes, and timer functions.
- **Timer Function:** Set operation time for up to 12 hours, after which the device automatically shuts off.
- **3 Operating Modes:** Adjust mist intensity with Low, Medium, and High settings.
- **Alarm Function:** Set a specific time for the diffuser to start, waking you with a pleasant aroma.
- **7 LED Colors:** Create the perfect ambiance with a choice of fixed or rotating LED colors.

## 4. SETUP

---

### 4.1 Unpacking

Carefully remove all components from the packaging. Retain the packaging for future storage or transport.

### 4.2 Placement

Place the diffuser on a flat, stable surface away from electronic devices, furniture, and direct sunlight. Ensure there is adequate space around the unit for proper mist dispersion.

Image: The Cecotec PureAroma 550 Connected Aroma Diffuser in its Grey Woody finish, placed on a wooden surface, with mist

gently rising from its top. A blue LED light strip is visible on the front.

### 4.3 Filling the Water Tank

1. Remove the top cover of the diffuser.
2. Using a measuring cup, carefully pour clean tap water into the water tank. Do not exceed the 'MAX' fill line.
3. Add 2-3 drops of your preferred essential oil directly into the water tank. Adjust the quantity based on desired aroma intensity.
4. Replace the top cover securely.

Image: A hand pouring water from a clear cup into the open water tank of the Cecotec PureAroma 550 diffuser. The internal components of the diffuser are visible.

### 4.4 Connecting Power

Connect the power adapter to the diffuser's power input port, then plug the adapter into a standard electrical outlet.

## 5. OPERATING INSTRUCTIONS

---

## 5.1 Power On/Off

Press the Power button on the front panel to turn the diffuser on or off. The LED display will illuminate when the device is on.

## 5.2 Setting Operating Modes

Press the 'Mode' button to cycle through the three mist intensity settings: Low, Medium, and High. The selected mode will be indicated on the LED display.

## 5.3 Timer Function

Press the 'Timer' button to set the desired operating duration (e.g., 1H, 3H, 6H, 12H). The diffuser will automatically shut off once the set time has elapsed.

## 5.4 LED Light Control

Press the 'Light' button to activate the LED lighting. Press again to cycle through the 7 available colors or select a random color changing mode. Press and hold to turn off the light.

## 5.5 Bluetooth Speaker Function

1. Ensure the diffuser is powered on.
2. On your smartphone or Bluetooth-enabled device, search for 'PureAroma 550' in the Bluetooth settings.
3. Pair with the device. Once connected, you can play audio through the diffuser's integrated speaker.

## 5.6 Smartphone App Control

Download the official Cecotec app from your device's app store. Follow the in-app instructions to connect your PureAroma 550 diffuser. The app allows for remote control of all functions, including power, mist modes, timer, LED lights, and alarm settings.

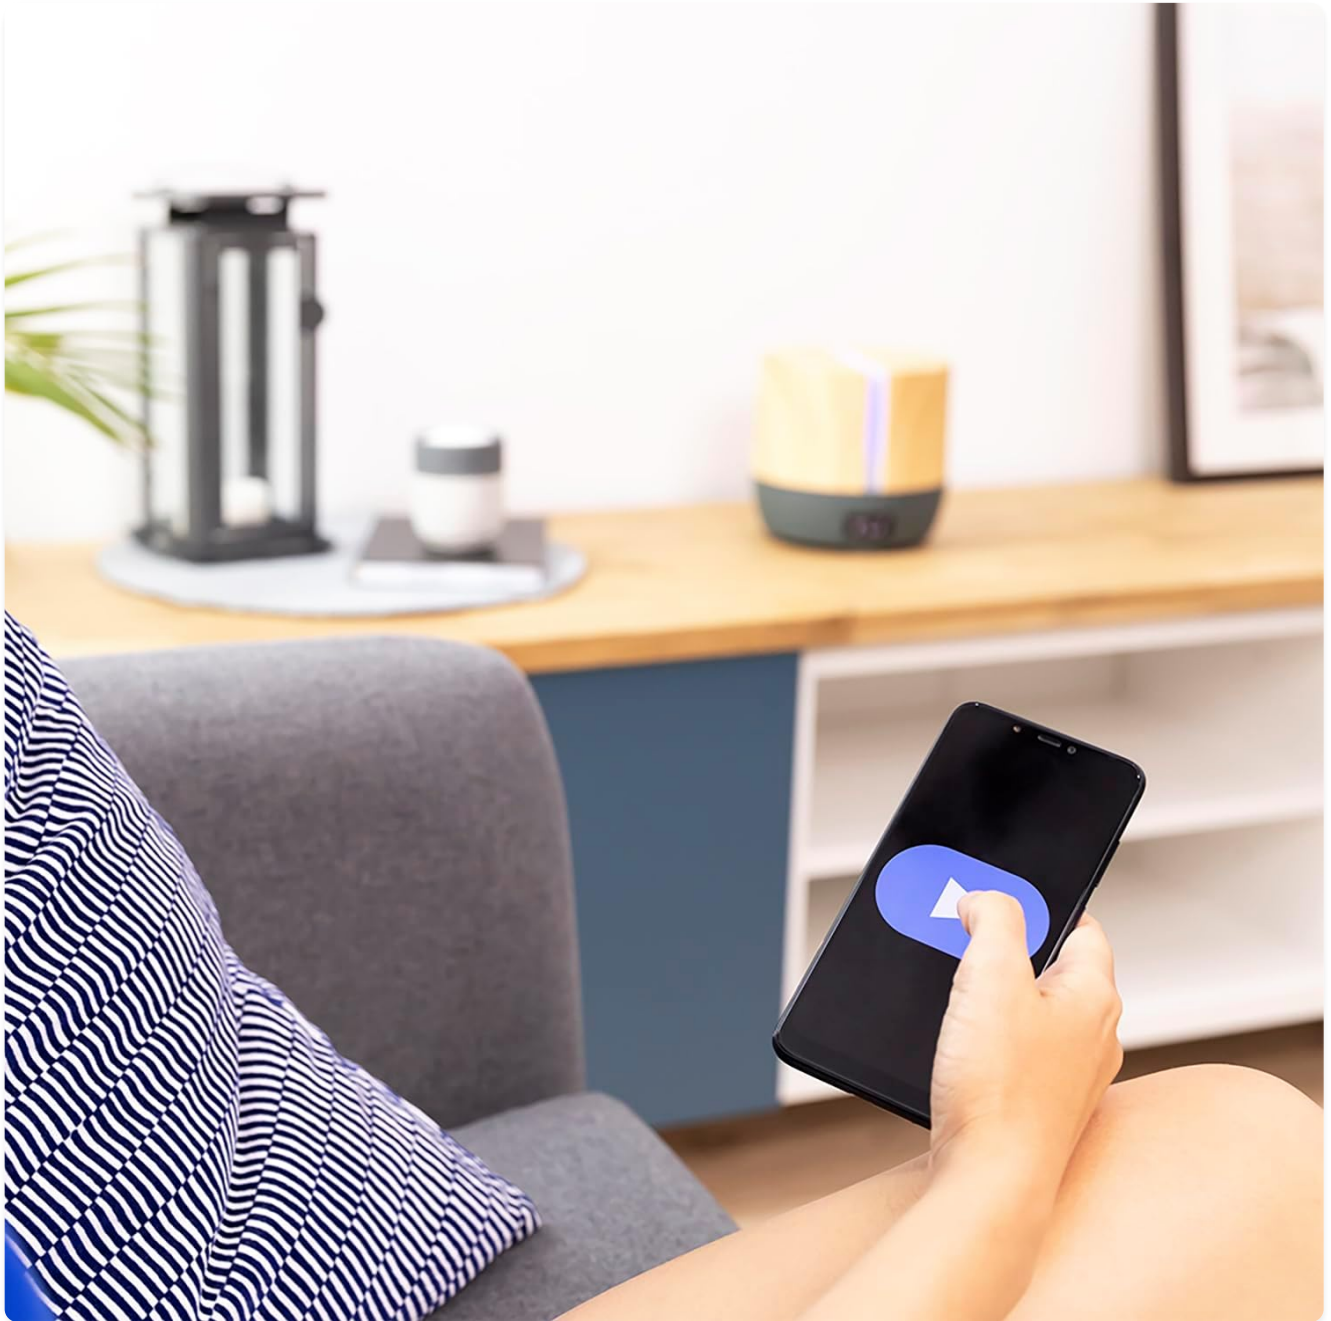

Image: A person's hand holding a smartphone, showing the Cecotec app with a play button icon, indicating control over the diffuser. The PureAroma 550 diffuser is visible in the background on a wooden surface.

## 5.7 Alarm Function

Using the LED display controls or the smartphone app, set a specific alarm time. The diffuser will activate at the set time, releasing mist and aroma to gently wake you or signal an event.

## 6. MAINTENANCE

---

Regular cleaning is essential to ensure optimal performance and longevity of your diffuser.

### 6.1 Daily Maintenance

- After each use, unplug the device and empty any remaining water from the tank.
- Wipe the inside of the water tank with a clean, soft cloth.

### 6.2 Weekly Cleaning

- Unplug the diffuser and remove the top cover.
- Pour out any remaining water.
- Add 1 tablespoon of white vinegar to the water tank and fill with water up to half capacity.
- Let it sit for 30-60 minutes to loosen mineral buildup.
- Carefully drain the water and wipe the tank and ultrasonic plate with a soft cloth or cotton swab. Do not scrub the ultrasonic plate.
- Rinse the tank thoroughly with clean water.
- Wipe the exterior of the diffuser with a soft, damp cloth.
- Allow all parts to air dry completely before reassembling or storing.

**Important:** Do not use harsh detergents, abrasive cleaners, or sharp objects to clean the diffuser, as this may damage the unit.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
No mist is being produced.	Low water level; Ultrasonic plate dirty; Mist outlet blocked; Lid not properly closed.	Add water; Clean the ultrasonic plate; Clear any obstructions; Ensure lid is securely in place.
Device does not power on.	Not plugged in; Power outlet faulty; Device damaged.	Check power connection; Try a different outlet; Contact customer support.
Weak mist output.	Insufficient water; Dirty ultrasonic plate; Air vent blocked.	Ensure adequate water; Clean ultrasonic plate; Check and clear air vent.
Bluetooth connection issues.	Device not in pairing mode; Too far from diffuser; Interference.	Ensure diffuser is on; Move closer to diffuser; Restart both devices.
Water leakage.	Overfilled; Lid not sealed properly; Device tilted.	Do not overfill; Ensure lid is secure; Place on a flat surface.

## 8. SPECIFICATIONS

Brand	Cecotec
Model Number	05648
