**Cecotec V1705241**

# Cecotec PureAroma 550 Connected Aroma Diffuser User Manual

Model: V1705241

## INTRODUCTION

---

The Cecotec PureAroma 550 Connected Aroma Diffuser is designed to enhance your environment through aromatherapy, humidification, and ambient lighting. Featuring a 500ml water tank, it provides continuous mist for extended periods. This device also includes an integrated Bluetooth speaker, an LED display, and smart control via a dedicated application, offering a comprehensive user experience. This manual provides detailed instructions for safe and effective use of your aroma diffuser.

## IMPORTANT SAFETY INFORMATION

---

Please read all safety instructions before operating the device. Failure to follow these instructions may result in electric shock, fire, or injury.

- Always place the diffuser on a flat, stable, and water-resistant surface.
- Do not immerse the device in water or any other liquid.
- Ensure the power adapter is disconnected before cleaning or refilling.
- Use only clean tap water or distilled water. Do not use hot water.
- Avoid direct skin contact with undiluted essential oils.
- Keep out of reach of children and pets.
- Ensure adequate ventilation during use.
- Do not block the mist outlet.

- If the device emits unusual sounds, smells, or smoke, unplug it immediately and contact support.

## PACKAGE CONTENTS

---

Verify that all items are present in the package:

- Cecotec PureAroma 550 Connected Aroma Diffuser
- Power Adapter
- User Manual

## PRODUCT COMPONENTS

---

Familiarize yourself with the main parts of your aroma diffuser:

1. **Top Cover:** Removable cover for accessing the water tank.
2. **Water Tank:** Holds up to 500ml of water.
3. **Mist Outlet:** Where the aroma mist is released.
4. **Control Panel:** Buttons for power, mist mode, light, and timer.
5. **LED Display:** Shows time and other settings.
6. **Power Inlet:** For connecting the power adapter.
7. **Air Outlet:** For proper ventilation.
8. **Bluetooth Speaker:** Integrated speaker for audio playback.

## SETUP INSTRUCTIONS

---

Follow these steps to set up your aroma diffuser for first use:

1. **Unpack:** Carefully remove the aroma diffuser and all accessories from its packaging.
2. **Place:** Position the diffuser on a flat, stable surface away from direct sunlight or heat sources.
3. **Remove Cover:** Gently lift the top cover to access the water tank.
4. **Fill Water Tank:** Fill the water tank with clean tap water or distilled water up to the maximum 500ml line. Do not overfill.

Image: A hand carefully pouring water into the open water tank of the aroma diffuser.

5. **Add Essential Oils:** Add 2-3 drops of your desired essential oil directly into the water tank. Adjust the quantity based on personal preference and room size.
6. **Replace Cover:** Securely place the top cover back onto the diffuser.
7. **Connect Power:** Plug the power adapter into the power inlet on the diffuser, then plug the adapter into a wall outlet. The LED display will illuminate.

## OPERATING INSTRUCTIONS

---

The PureAroma 550 Connected offers multiple functions for a customized experience.

### Power On/Off

- Press the **Power button** once to turn on the diffuser. It will start misting in the default mode.
- Press and hold the **Power button** for 2 seconds to turn off the diffuser.

### Mist Modes

The diffuser has 3 operating modes: Low, Medium, and High. Press the **Mist button** repeatedly to cycle through the modes:

- **Low:** Gentle mist output.
- **Medium:** Moderate mist output.
- **High:** Strong mist output.

## LED Light Control

The diffuser features 7 LED colors. Press the **Light button** to:

- Cycle through individual colors.
- Select a random color changing mode.
- Turn off the light.

## Timer Function

Set the diffuser to operate for a specific duration up to 12 hours. Press the **Timer button** repeatedly to select the desired operating time. The diffuser will automatically shut off once the timer expires.

## Bluetooth Speaker

The integrated speaker allows you to play audio from your smartphone or other Bluetooth-enabled devices.

1. **Pairing:** Ensure Bluetooth is enabled on your smartphone. The diffuser will automatically enter pairing mode when powered on. Look for "PureAroma 550" in your device's Bluetooth settings and connect.
2. **Audio Playback:** Once connected, play your favorite music or audio through the diffuser's speaker.

## App Control

For advanced control and customization, download the official Cecotec app on your smartphone.

1. **Download App:** Search for the "Cecotec" app in your device's app store.
2. **Connect:** Follow the in-app instructions to connect your diffuser.
3. **Functions:** The app allows you to control all diffuser functions, including mist intensity, LED lighting, timer settings, and alarm functions.

## Alarm Function

The diffuser includes an alarm function that can be set via the app or the LED display. This allows you to

schedule specific times for the diffuser to activate, providing a gentle wake-up or reminder with aroma and sound.

## MAINTENANCE

---

Regular cleaning ensures optimal performance and extends the lifespan of your diffuser.

### Daily Maintenance

- Empty any remaining water from the tank after each use.
- Wipe the inside of the water tank with a clean, soft cloth.

### Weekly Cleaning

- Disconnect the power adapter.
- Remove the top cover.
- Clean all removable parts with warm soapy water.
- Use a cotton swab or soft brush to gently clean the ultrasonic plate (the small ceramic disc at the bottom of the water tank). Do not scrub vigorously.
- Rinse thoroughly and allow all parts to air dry completely before reassembling.

*Note: Do not use harsh detergents, solvents, or abrasive cleaners, as these can damage the diffuser.*

## TROUBLESHOOTING

---

If you encounter issues with your diffuser, refer to the following common problems and solutions:

| Problem                        | Possible Cause   | Solution  |
|--------------------------------|--|---|
| No mist or weak mist output    | Low water level; ultrasonic plate dirty; mist outlet blocked.    | Refill water tank; clean ultrasonic plate; ensure mist outlet is clear. |
| Diffuser does not power on     | Power adapter not connected; no power from outlet.               | Check power connections; try a different outlet.                        |
| Bluetooth connection issues    | Device not in pairing mode; too far from diffuser; interference. | Ensure diffuser is on; move device closer; restart both devices.        |
| Unusual noise during operation | Water level too low; diffuser not on a flat surface.             | Add water; place diffuser on a stable, flat surface.                    |

## PRODUCT SPECIFICATIONS

---

**Brand:** Cecotec

**Model Number:** V1705241

**Color:** White Wood

**Product Dimensions:** 17 x 17.5 x 17.5 cm

**Item Weight:** 580 g

**Water Tank Capacity:** 500 ml

**Power/Wattage:** 15.6 watts

**Material:** Plastic

**Automatic Shut-off:** Yes

**Operating Time:** Up to 12 hours

**Coverage Area:** Up to 30 square meters

**Mist Output:** 25 ml/hour

**Special Features:** Timer, Aroma Diffuser, Bluetooth Speaker, LED Display, App Control, Alarm Function

**Power Source:** Corded Electric

## WARRANTY AND SUPPORT

---

This product comes with a standard manufacturer's warranty. For detailed warranty terms and conditions, please refer to the warranty card included in your product packaging or visit the official Cecotec website. For technical support, troubleshooting assistance, or spare parts, please contact Cecotec customer service. Contact information can typically be found on the product packaging, the official website, or within the product app.
