

iClimb IC704

iClimb Extendable Folding Table User Manual

Model: IC704

Brand: iClimb

1. INTRODUCTION

Thank you for choosing the iClimb Extendable Folding Table, Model IC704. This ultralight and compact table is designed for various outdoor activities such as camping, backpacking, beach trips, and parties. This manual provides essential information for the proper setup, operation, maintenance, and care of your table to ensure its longevity and optimal performance.

2. PRODUCT FEATURES

- **Extendable Design:** Unique design allows connecting multiple tables and connecting plates to expand the tabletop area. Tables can also be stacked.
- **Large Tabletop Area:** Provides ample space when set up, yet packs down to a small size. Tabletop dimensions: 24.4 × 16.54 inches; Height: 15 inches.
- **Ultralight and Compact:** Constructed from high-quality aluminum alloy 6061, weighing 3.9 lbs. Packed size: 17 × 4.33 × 4.33 inches.
- **Hollow Out Tabletop:** Reduces weight and prevents water accumulation.
- **Durable Construction:** Heat resistant, waterproof, corrosion resistant, and easy to clean.
- **Integrated Storage:** Includes a nylon mesh net to hold sundries and damp tableware, enhancing stability.
- **Stable Design:** Features a stable triangular structure.
- **Portability:** Comes with a ripstop carry bag for easy transport.
- **Lantern Hanger:** Includes one lantern hanger for added utility.

3. PACKAGE CONTENTS

Please verify that all components are present in your package:

- iClimb Extendable Folding Table (Model IC704)
- Lantern Hanger
- Nylon Mesh Net
- Ripstop Carry Bag

4. SETUP INSTRUCTIONS

Follow these steps to assemble your iClimb Extendable Folding Table:

1. Remove all components from the ripstop carry bag.
2. Unfold the main frame structure. The elastic cords inside the poles will guide the assembly. Ensure all pole sections are fully connected and locked into place.
3. Attach the tabletop slats to the frame. The slats are designed to lock onto the frame for a secure fit.
4. If included, attach the nylon mesh net to the designated hooks or loops on the frame for additional storage and stability.
5. Insert the lantern hanger into the designated slot on the table frame, if desired.

For a visual guide on assembly and disassembly, please refer to the video below:

5. OPERATING INSTRUCTIONS (USAGE)

5.1 Extending the Tabletop

The iClimb table features a unique extendable design. You can connect multiple tables or use connecting plates to create a larger surface area. For example, two tables and one pack of connecting plates can form a three-table setup. The connecting plates can also serve as replacement tabletop sections.

5.2 Using the Nylon Mesh Net

The integrated nylon mesh net provides convenient storage for small items, keeping your tabletop clear. It can hold sundries or damp tableware. Ensure the net is securely attached to the frame for optimal stability.

Nylon mesh to hold your sundries, damp tableware, and make the table more stable

Stable triangle frame, also can fix the mesh net

5.3 Using the Lantern Hanger

The included lantern hanger can be attached to the table to provide elevated lighting or a convenient place to hang small accessories.

5.4 Heat Resistance

The aluminum tabletop is heat resistant, allowing you to place a stove or hot pots directly on its surface without damage.

6. MAINTENANCE

To ensure the longevity and cleanliness of your iClimb Extendable Folding Table, follow these maintenance guidelines:

- **Cleaning:** Wipe the table surfaces with a damp cloth after each use. The aluminum material is waterproof and corrosion resistant.
- **Storage:** Ensure the table is clean and dry before folding and storing it in its ripstop carry bag. Store in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically check all connections and components for any signs of wear or damage. Replace any damaged parts immediately to maintain structural integrity.

7. TROUBLESHOOTING

If you encounter any issues with your iClimb Extendable Folding Table, please consider the following:

- **Table Wobbles:** Ensure all frame poles are fully extended and securely connected. Verify that the tabletop slats are properly locked onto the frame. Uneven ground can also cause wobbling; try to place the table on a flat surface.

- **Difficulty Assembling/Disassembling:** Ensure you are following the steps correctly. The elastic cords are designed to guide the poles into place. Do not force components. Refer to the assembly video if needed.
- **Missing Parts:** Check the carry bag thoroughly. If parts are genuinely missing upon arrival, contact iClimb customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	iClimb
Model Number	IC704
Product Dimensions (D x W x H)	24.4" x 16.54" x 15"
Item Weight	3.9 Pounds
Maximum Weight Recommendation	66 Pounds
Frame Material	Aluminum
Top Material Type	Aluminum
Color	Black
