RiceBlock 0400

RiceBlock Large Titanic Model Building Block Kit

Model: 0400

Brand: RiceBlock

1. Introduction

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your RiceBlock Large Titanic Model Building Block Kit, Model 0400. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This kit contains 1333 pieces designed to construct a detailed replica of the Titanic cruise ship.

2. Safety Information

- **Choking Hazard:** This kit contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger builders.
- **Material Safety:** The building blocks are made from high-quality, non-toxic, and tasteless ABS plastic. They are designed to be flexible and durable.
- **Handling:** While designed with smooth surfaces and rounded corners for safety, handle all pieces with care to prevent accidental damage or injury.

3. Package Contents

Upon opening the package, verify that all components are present. The kit includes:

- 1333 building block pieces, organized into numbered bags for sequential assembly.
- Detailed color instruction manual.
- Display stand components.
- Additional components as specified in the manual (e.g., decorative cord).

If any pieces are missing or damaged, please refer to the 'Warranty and Support' section for assistance.

4. Assembly Instructions

The RiceBlock Large Titanic Model Building Block Kit is designed for straightforward assembly with a detailed, color-illustrated instruction manual. Follow the steps below:

1. **Preparation:** Unpack all components and organize the numbered bags. It is recommended to open bags sequentially as instructed in the manual to avoid mixing pieces.
2. **Follow the Manual:** Refer to the included color instruction manual for step-by-step assembly. Each step is clearly illustrated to guide you through the construction process.
3. **Piece Identification:** Pieces are packed into numbered bags. Locate the required pieces for each step according to the manual's instructions.
4. **Secure Connections:** Ensure all blocks are firmly connected to create a stable structure. The high-quality ABS material allows for secure interlocking.
5. **Display Stand Assembly:** Once the ship model is complete, assemble the dedicated display stand as per the manual's instructions. The stand is designed to securely hold the finished model.

6. Maintenance

To ensure the longevity and appearance of your RiceBlock Titanic model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep pieces organized to facilitate future reassembly. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Handling:** Always handle the model by its base or sturdy sections to prevent accidental detachment of smaller pieces.

7. Troubleshooting

Should you encounter any issues during assembly or with the completed model, consider the following common solutions:

- **Missing Pieces:** Carefully re-check all packaging and surrounding areas. If pieces are genuinely missing, contact customer support with details of the missing parts (refer to the manual's part list).
- **Difficulty with Instructions:** Review the color instruction manual again, paying close attention to the illustrations. Sometimes, a different perspective or a short break can help clarify a step. Online resources or community forums may also offer visual aids.
- **Loose Connections:** Ensure blocks are pressed firmly together until they click or feel secure. If a connection remains loose, verify that the correct pieces are being used as per the manual.
- **Damaged Pieces:** If a piece is damaged upon arrival or during assembly, contact customer support for a replacement.
