HOMCOM 833-940

HOMCOM Fluffy Unicorn Office Chair (Model 833-940) Instruction Manual

1. Introduction

This manual provides essential instructions for the safe assembly, operation, and maintenance of your HOMCOM Fluffy Unicorn Office Chair, Model 833-940. Please read this manual thoroughly before use and retain it for future reference.

2. Safety Information

Assembly required. Do not exceed the maximum weight capacity of 264 lbs. For your safety, always follow the assembly instructions carefully. WARNING: This product can expose you to chemicals including [insert specific chemicals if known], which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Chair Seat and Back Assembly (Unicorn design)
- 5-Star Base
- Gas Lift Cylinder
- 5 Casters (Wheels)
- Hardware Pack (screws, washers, Allen wrench)
- Instruction Manual

4. Setup and Assembly Instructions

Follow these steps carefully for proper assembly. It is recommended to assemble the chair on a soft, clean surface to prevent damage.

1. **Attach Casters to Base:** Insert each of the five casters into the holes at the end of each leg of the 5-star base. Push firmly until they click into place.

2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the assembled 5-star base. Ensure it is seated securely.
3. **Attach Seat to Gas Lift:** Carefully align the center mechanism under the chair seat with the top of the gas lift cylinder. Lower the seat onto the gas lift, applying gentle pressure until it is firmly connected.

This image illustrates the key dimensions of the chair, including overall height (25.25-28.25 inches), width (21.25 inches), depth (19.75 inches), seat height (17.25-20.25 inches), and seat depth (14.25 inches).

5. Operating Instructions

Your HOMCOM Fluffy Unicorn Office Chair is designed for ease of use and comfort.

Height Adjustment

To adjust the seat height, locate the pneumatic lever on the right side, underneath the seat. To raise the seat, lift the lever while taking your weight off the chair. To lower the seat, lift the lever while remaining seated. The seat height can be adjusted between 17.25 inches and 20.25 inches.

The pneumatic lever located under the seat allows for easy adjustment of the chair's height.

Swivel and Movement

The chair features a 360-degree swivel function, allowing for full rotation. The five smooth nylon casters on the sturdy 5-star base provide effortless movement across various floor surfaces.

The sturdy 5-star base is equipped with smooth-rolling casters and provides 360-degree swivel rotation for easy movement.

6. Maintenance

Proper care will extend the life and appearance of your chair.

- **Cleaning:** Wipe clean with a damp cloth. For the faux fur fabric, regular vacuuming or gentle brushing can help remove dust and loose debris. Avoid harsh chemicals or abrasive cleaners.
- **Stain Prevention:** The faux fur fabric is not removable. To prevent permanent staining, address spills immediately by blotting with a clean, dry cloth.
- **Caster Care:** Periodically check casters for hair or debris that may hinder smooth movement. Clean as needed.
- **Hardware Check:** Occasionally check all screws and bolts to ensure they are tight. Retighten if necessary.

The chair features five smooth nylon casters designed for easy and quiet movement across various floor surfaces.

7. Troubleshooting

If you encounter issues with your chair, refer to the following common solutions:

- **Chair does not adjust height:** Ensure the pneumatic lever is fully engaged. If the chair is new, the gas lift might need a few uses to function smoothly. If issues persist, verify the gas lift cylinder is correctly installed.
- **Chair feels unstable or wobbly:** Check all assembly screws and bolts to ensure they are securely tightened. Ensure the casters are fully inserted into the base.
- **Casters do not roll smoothly:** Inspect casters for any accumulated hair, dust, or debris and remove them. Ensure the chair is used on an appropriate surface.
- **Squeaking noises:** Apply a small amount of silicone lubricant to moving parts, such as the gas lift mechanism or caster stems, if necessary.

8. Specifications

Feature	Detail
Brand	HOMCOM
Model Number	833-940
Overall Dimensions (W x D x H)	21.25" x 19.75" x 25.25"-28.25"
