# TPLTECH 10FT AC Power Cord Instruction Manual

## 1. PRODUCT OVERVIEW

---

This manual provides instructions for the TPLTECH 10FT AC Power Cord, designed to supply power to various electronic devices. This UL Listed, non-polarized 18 AWG 2-prong figure-8 power cord (IEC320 C7 to NEMA 1-15P) is suitable for a wide range of applications, including game consoles, LED LCD TVs, monitors, soundbars, and printers.

The 10-foot length offers extended reach, providing flexibility in device placement. Its robust construction ensures reliable power delivery and safety for your connected equipment.

## 2. SETUP AND CONNECTION

---

Follow these steps to properly connect your TPLTECH 10FT AC Power Cord to your device and power source.

- 1. Identify Device Compatibility:** Ensure your device requires a 2-slot (figure-8) power cord. This cord is compatible with devices such as:
  - Xbox Series X, Xbox Series S, Xbox One S, Xbox One X
  - Sony PS5, PS4 Slim, PS3 Game Console
  - Various models of Samsung, TCL, Toshiba, LG, Sharp, Insignia, Vizio, Hisense, and JVC TVs
  - Monitors, Printers, and Soundbars requiring a 2-slot power cord.
- 2. Connect to Device:** Insert the figure-8 (IEC320 C7) end of the power cord firmly into the corresponding power input port on your electronic device.
- 3. Connect to Power Outlet:** Plug the 2-prong (NEMA 1-15P) end of the power cord into a standard 125V AC wall outlet. Ensure the outlet is easily accessible and not overloaded.

Figure 2.2: Close-up of the power cord plug, highlighting its UL Listed certification for safety.

### 3. OPERATING INSTRUCTIONS

---

Once the power cord is securely connected to both your device and a power outlet, your device should be ready for operation. Power on your device using its standard power button.

**Safety Note:** Always ensure the power cord is not pinched, twisted, or placed under heavy objects to prevent damage and ensure safe operation.

### 4. MAINTENANCE AND CARE

---

Proper care extends the life of your power cord and ensures continued safe operation.

- **Cleaning:** Disconnect the power cord from the wall outlet and device before cleaning. Wipe the cord with a dry, soft cloth. Do not use liquid cleaners or immerse the cord in water.
- **Storage:** When not in use, coil the cord loosely. Avoid tight coiling or sharp bends, which can damage the internal wires. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect the cord for any signs of damage, such as cuts, fraying, or exposed wires. If any damage is observed, discontinue use immediately and replace the cord.

### 5. TROUBLESHOOTING

---

If your device is not powering on after connecting the TPLTECH 10FT AC Power Cord, consider the following:

- **No Power to Device:**
  - Ensure both ends of the power cord are fully and securely inserted into the device and the wall outlet.
  - Verify that the wall outlet is functional by testing it with another known working appliance.
  - Check if the device's power switch is in the 'On' position.
- **Loose Connection:** If the cord feels loose, gently re-seat both ends to ensure a snug fit. Avoid forcing the connectors.
- **Cord Damage:** Inspect the entire length of the cord for any visible damage. If damaged, replace the cord immediately.

## 6. SPECIFICATIONS

---

Feature	Detail
Brand	TPLTECH
Model Number	Cavalrywolf
Color	Black
Item Length	10 Feet (120 Inches)
Connector Gender	Male-to-Female
Plug Type	Type A (NEMA 1-15P)
Device Connector	IEC320 C7 (Figure-8)
Gauge	18 AWG
Number of Conductors	2
Voltage	125 Volts
Input Current	10 Amps
UL Listed	Yes
UPC	712491738118

## 7. WARRANTY AND SUPPORT

---

TPLTECH offers a customer-friendly warranty and support policy for this product:

- **Money Refund:** 30 Days Money Refund policy.
