BRIOUT 1oz/2oz

BRIOUT Double Cocktail Jigger 1oz/2oz Instruction Manual

Model: 1oz/2oz

INTRODUCTION

Thank you for choosing the BRIOUT Double Cocktail Jigger. This premium 304 stainless steel jigger is designed for precise measurement of liquids in bartending, ensuring perfectly balanced cocktails every time. Its durable construction and ergonomic design make it an essential tool for both professional bartenders and home enthusiasts.

PRODUCT FEATURES

- **Quality Construction:** Made from high-grade sturdy 18/8 stainless steel with a thickening design for increased durability and shock resistance.
- **Ergonomic Design:** Features a rolled lip and professional welded structure, providing a comfortable grip and elegant appearance.
- **Dual-Head Functionality:** Designed with two heads, offering 1 oz and 2 oz capacities for versatile use in various cocktail recipes.
- **Internal Graduations:** The 1 oz side includes internal markings for 1/2 oz and 3/4 oz, while the 2 oz side includes a 1-1/2 oz marking, allowing for precise and convenient measurement.
- **Ease of Use:** Simple to operate with one hand, maintaining stability between fingers for efficient pouring during busy bar service.

SETUP

The BRIOUT Double Cocktail Jigger requires no assembly. Before first use, wash the jigger thoroughly with warm soapy water and rinse completely. Dry with a soft cloth to prevent water spots and maintain its mirror finish.

OPERATING INSTRUCTIONS

The double-sided design of your jigger allows for quick and accurate measurement of spirits and other liquid ingredients. Each side features clear internal markings for common measurements.

Using the 1 oz Side:

1. Hold the jigger firmly between your thumb and forefinger.
2. For a 1 oz measurement, fill the smaller cup to the brim.
3. For a 3/4 oz measurement, fill to the indicated line inside the smaller cup.
4. For a 1/2 oz measurement, fill to the indicated line inside the smaller cup.
5. Pour the measured liquid into your mixing glass or shaker.

Using the 2 oz Side:

1. Hold the jigger firmly between your thumb and forefinger.
2. For a 2 oz measurement, fill the larger cup to the brim.
3. For a 1-1/2 oz measurement, fill to the indicated line inside the larger cup.
4. Pour the measured liquid into your mixing glass or shaker.

Always ensure the jigger is level when measuring to achieve the most accurate results.

Image: The BRIOUT Double Cocktail Jigger showcasing its internal calibration lines for 1/2 oz, 3/4 oz, 1 oz, 1-1/2 oz, and 2 oz measurements. The jigger is made of 304 stainless steel with a mirror finish and ergonomic structure.

MAINTENANCE

- **Cleaning:** The jigger is dishwasher safe. For best results and to maintain its luster, hand wash with warm soapy water and dry immediately with a soft cloth. Avoid abrasive cleaners or scouring pads that could scratch the surface.
- **Storage:** Store in a dry place to prevent water spots or potential tarnishing, although the 304 stainless steel is highly resistant to rust and corrosion.

TROUBLESHOOTING

The BRIOUT Double Cocktail Jigger is a simple, robust tool. Most issues can be resolved with proper care.

- **Issue: Water spots or dull finish after washing.**
 - **Solution:** Ensure the jigger is dried immediately after washing. For stubborn spots, use a stainless steel cleaner or a mixture of vinegar and water, then rinse and dry thoroughly.
- **Issue: Difficulty reading internal measurements.**
 - **Solution:** Ensure adequate lighting. The laser-etched markings are permanent but can be harder to see in dim conditions.
