PRODUCT OVERVIEW

Familiarize yourself with the various components and controls of your headset.

- **Adjustable Headband:** Allows for a customized and comfortable fit for various head sizes.
- **Soft Protein Memory-Foam Earpad:** Provides comfort for extended wear.
- **Flexible Gooseneck Microphone:** Can be rotated 270 degrees for use on either the left or right ear, and adjusted for optimal voice pickup. Features a wind cover for clear audio.
- **Control Buttons:** Located on the earpiece for easy access to power, volume, call management, and mute functions.
- **USB-C Charging Port:** For recharging the headset battery.

SETUP

1. Charging the Headset

Before initial use, fully charge your headset. A full charge takes approximately 4 hours.

1. Connect the provided USB-C charging cable to the charging port on the headset.
2. Connect the other end of the USB-C cable to a compatible USB power source (e.g., computer USB port, wall adapter).
3. The LED indicator on the headset will show charging status (refer to the LED indicator section for details).

2. Pairing with a Bluetooth Device

The headset uses Bluetooth 5.0 technology for stable and fast connections. It supports multipoint connection, allowing simultaneous connection to two Bluetooth devices.

1. Ensure the headset is charged.
2. Slide the power switch to the "ON" position. The headset will automatically enter pairing mode, indicated by a flashing LED light.
3. On your device (e.g., smartphone, laptop, PC), enable Bluetooth and search for available devices.
4. Select "A19" or "Conambo JBT900" (or similar model name) from the list of found devices to connect.

5. Once connected, the LED indicator will become solid, confirming successful pairing.

Music Control

- **Play/Pause:** Press the Phone Call button once.
- **Volume Up/Down:** Use the dedicated Volume + and Volume - buttons.
- **Next Track:** Press and hold the Volume + button.
- **Previous Track:** Press and hold the Volume - button.

Voice Assistant (Siri/Google Assistant)

Press and hold the Mute button to activate your device's voice assistant for hands-free commands.

COMFORT AND ADJUSTABILITY

The Conambo headset is designed for comfort during prolonged use.

- The headband is stretchable and can be adjusted to fit various head sizes.
- The soft protein memory-foam earpad ensures a comfortable fit on your ear.
- The microphone boom can be rotated 270 degrees, allowing you to wear the earpiece on either your left or right ear.

MAINTENANCE

To ensure the longevity and optimal performance of your headset, follow these maintenance guidelines:

- Clean the earpad and microphone foam regularly with a soft, dry cloth.
- Avoid exposing the headset to extreme temperatures, moisture, or direct sunlight.
- Store the headset in a cool, dry place when not in use.
- Do not attempt to disassemble or repair the headset yourself. Contact customer support for assistance.

TROUBLESHOOTING

If you encounter any issues with your headset, please refer to the following common solutions:

- **Headset not turning on:** Ensure the headset is fully charged.
- **Unable to pair:** Make sure the headset is in pairing mode (flashing LED) and your device's Bluetooth is enabled and searching. Try restarting both the headset and your device.
- **No audio/poor audio quality:** Check the volume levels on both the headset and your connected device. Ensure the headset is within the 33ft wireless range of your device.
- **Microphone not working:** Ensure the microphone is not muted. Adjust the microphone's position closer to your mouth.
