SETUP

1. Battery Installation

The Turdle requires 3 AAA batteries, which are included. Follow these steps to install them:

1. Locate the battery compartment on the underside of the Turdle.
2. Using a small Phillips head screwdriver, unscrew the battery compartment cover.
3. Insert the 3 AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the cover and secure it with the screw.

2. Initial Assembly

Your Turdle comes pre-assembled. Simply place the Turdle onto its toilet accessory.

OPERATING INSTRUCTIONS

1. Feeding Your Turdle

To feed your Turdle, use the provided scoop and the aqua sand "turtle food".

1. Open the Turdle's mouth.
2. Scoop the aqua sand with the provided scoop.
3. Carefully pour the aqua sand into the Turdle's mouth.
4. Observe as the Turdle's neck wiggles while it "eats".

2. The "Magic Poop" Action

After feeding, the Turdle will eventually "poop" the aqua sand into its toilet. This is a key interactive feature.

3. Repeat What You Say Feature

The Turdle has a voice recording and playback feature. It will repeat phrases it hears.

- Speak clearly to the Turdle.
- The Turdle will record and then repeat what it hears in a humorous voice.

MAINTENANCE

Cleaning

To keep your Turtle clean and functioning properly:

- Wipe the Turtle and its toilet with a damp cloth. Do not submerge in water.
- Ensure the aqua sand is collected and stored properly after use to prevent mess and loss. The aqua sand can be reused.

Storage

When not in use, store the Turtle and its accessories in a clean, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Turtle is not responding or making sounds.	Low or dead batteries. Incorrect battery installation.	Replace with fresh AAA batteries. Ensure batteries are inserted with correct polarity.

Problem	Possible Cause	Solution
Aqua sand is not passing through or getting stuck.	Obstruction in the feeding mechanism. Too much sand inserted at once.	Ensure only the provided aqua sand is used. Try feeding smaller amounts. Gently shake the Turtle to dislodge any blockages. Do not force objects into the mouth.
Voice repetition is unclear or distorted.	Background noise. Speaking too far from the microphone.	Speak clearly and closer to the Turtle in a quiet environment.
Excessive mess from aqua sand.	Improper handling or storage of aqua sand.	Ensure the aqua sand is always used over a contained surface (e.g., the toilet bowl or a tray). Store the sand in its original container or a sealed bag when not in use.
