Yaheetech Industrial Hall Tree with Bench and Shoe Storage Instruction Manual

Model: YT-00100665ht | Brand: Yaheetech

1. PRODUCT OVERVIEW

This manual provides instructions for the Yaheetech Industrial Hall Tree with Bench and Shoe Storage, designed to organize your entryway or living space. It features a coat rack with multiple hooks, a comfortable bench for seating, and integrated shoe storage shelves.

Key Features:

- **Space-Saving Design:** Combines a top shelf, 23 hooks, a bench, and 3 open shelves, ideal for small apartments, mudrooms, and narrow entryways.
- **Functional Storage:** Long top shelf for baskets, bench supports up to 265lb for shoe changing, and multi-level racks for sneakers and boots.
- **Ample Hanging Space:** 23 ball-end hooks distributed across two levels for coats, bags, hats, and leashes.
- **Adjustable Stability:** Four protective feet prevent floor scratches and allow for leveling on uneven surfaces.
- **Durable Construction:** Made from baking finished iron and manufactured wood for long-lasting use.

Product Dimensions:

Overall dimensions: 33 inches (Length) x 12 inches (Width) x 72 inches (Height).

Item Weight: 29.1 pounds.

2. SAFETY INFORMATION

WARNING:

- To prevent tip-over, adjust the protective feet to level the hall tree.
- Do not overload the bench or shelves beyond their specified weight limits.

- Always follow the assembly instructions carefully to ensure safe use.

3. SETUP AND ASSEMBLY

The Yaheetech Hall Tree is designed for easy assembly. It comes with detailed assembly instructions, numbered parts, and all necessary hardware. An Allen key is included to assist with most screws; a Phillips head screwdriver (not included) will be required for attaching the hooks.

For a smooth assembly process, it is recommended to partially tighten all screws into their holes first, and then fully tighten them once all components are in place.

An anti-tip kit is included to secure the hall tree to the wall, enhancing stability and safety, especially in households with children or pets. Please ensure this is installed correctly.

4. OPERATING INSTRUCTIONS

This hall tree is designed for versatile storage and organization in your entryway or other living areas.

- **Coat Rack:** Utilize the 23 ball-end hooks on two levels to hang coats, jackets, hats, scarves, bags, and other accessories. Ensure items are distributed evenly to maintain balance.
- **Bench:** The sturdy bench provides a convenient spot for sitting while changing shoes. Do not exceed the maximum weight capacity of 265 lbs.
- **Shoe Storage:** The three open shelves below the bench are ideal for organizing shoes and boots. The varied heights accommodate different footwear sizes.
- **Top Shelf:** The long top shelf can be used for decorative items, small storage baskets, or frequently accessed essentials.

5. MAINTENANCE

To ensure the longevity and appearance of your Yaheetech Hall Tree, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** In case of spills, wipe immediately with a soft, dry cloth.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Leveling:** Re-adjust the protective feet as needed to maintain stability on uneven floors.

6. TROUBLESHOOTING

If you encounter any issues with your Yaheetech Hall Tree, consider the following common solutions:

- **Wobbling/Instability:**
 - Ensure all assembly screws are fully tightened.
 - Adjust the protective feet to level the unit on uneven flooring.
 - Verify that the anti-tip kit is securely installed and attached to the wall.
- **Damaged Parts:** If any parts arrived damaged or are missing, please contact Yaheetech customer support for assistance.
- **Difficulty Assembling:** Review the provided assembly instructions and the official installation video carefully. Ensure all parts are correctly oriented before tightening screws.
