GIANTEX Folding Bed with Memory Foam Mattress

MODEL: GX67474-CAHW

Brand: GIANTEX

Introduction

This manual provides instructions for the assembly, operation, and maintenance of your GIANTEX Folding Bed with Memory Foam Mattress, Model GX67474-CAHW. Please read this manual thoroughly before use to ensure proper setup and safe operation.

Safety Information

Adhere to the following safety guidelines to prevent injury and ensure the longevity of your folding bed:

- Always ensure the bed is set up on a stable, even surface.
- Do not exceed the maximum weight limit of **265 pounds**.
- Keep the area around the bed free of obstructions to avoid tripping or injury.
- Avoid sitting on the very edge of the bed, as this may cause it to tip.
- Ensure all components are securely fastened before use.

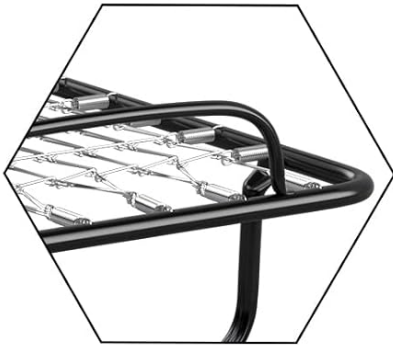

Setup and Assembly

Your GIANTEX folding bed is designed for easy assembly. Follow these steps to set up your bed:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the packing list are present.
2. **Unfold the Frame:** Place the folded bed frame on a flat surface. Gently unfold the frame until it is fully extended.
3. **Attach Wheels:** Attach the four flexible wheels to the designated points on the bed frame. Ensure the crossbars are placed between the casters with the flat side of the leg facing up. Tighten the bolts with the provided wrench, not by hand, to ensure stability.
4. **Secure the Frame:** Engage any locking mechanisms or clips to ensure the frame is fully secured in its open position.
5. **Place Mattress:** Position the memory foam mattress onto the unfolded bed frame.

Operating Instructions

The GIANTEX folding bed is designed for convenient storage and deployment.

Unfolding the Bed:

1. Release any securing buckles or straps holding the bed in its folded position.
2. Gently pull the two halves of the bed frame apart until it is fully extended and flat.
3. Ensure the support legs are fully deployed and locked into place for stability.

Folding the Bed for Storage:

1. Remove the mattress from the frame.
2. Lift the center of the bed frame, allowing the two halves to fold upwards.
3. Secure the folded frame with the integrated buckle or strap to prevent accidental unfolding.
4. The bed can then be rolled away on its flexible wheels for easy storage.

Maintenance

Proper maintenance ensures the longevity and hygiene of your folding bed.

- **Mattress Care:** The mattress cover is washable. For cleaning, hand wash only. Do not machine wash or tumble dry to preserve the material integrity.
- **Frame Care:** Wipe the metal frame with a damp cloth and mild detergent as needed. Ensure the frame is dry before folding or storing.
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight. Retighten if necessary.
- **Storage:** Store the folded bed in a dry, cool place away from direct sunlight and extreme temperatures.
