4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included booklet. The pieces are designed to interlock smoothly. Due to the small size of the blocks, careful handling is recommended.

4.1 General Tips for Assembly

- Organize your pieces by color and shape before starting.
- Work on a clean, flat surface to prevent losing small parts.
- Refer to the instruction booklet for each step.
- Apply gentle pressure to connect blocks.

4.2 Key Landmarks Assembly Overview

The set includes components to build the Golden Gate Bridge, Alcatraz Island, and various San Francisco skyline buildings. Each section is detailed in the manual.
