HOMCOM Modern Bar Table with 3 Storage Shelves (Model 835-299) Instruction Manual

Brand: HOMCOM | Model: 835-299

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HOMCOM Modern Bar Table with 3 Storage Shelves. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

2. SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble on a soft, clean surface to prevent scratches.
- Tighten all screws and bolts securely. Periodically check and re-tighten as needed.
- Do not overload the table or shelves. The tabletop has a maximum weight capacity of 220 lbs.
- Utilize the anti-toppling device to secure the table to a wall, preventing accidental tipping.
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Verify that all components listed in the packaging are present before beginning assembly. All necessary assembly tools, including an Allen Key, Screwdriver, and Wrench, are included.

Note: The table includes a storage shelf as an integrated component.

4. SETUP AND ASSEMBLY

Assembly typically takes approximately 1.5 hours for one person. Follow the provided instructions carefully. The process involves attaching the tabletop to the metal frame and the side storage unit, then securing the shelves within the storage unit.

6. MAINTENANCE

To maintain the appearance and longevity of your bar table, simply wipe clean with a damp cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the surface. The tabletop is designed to be stain-resistant for easy care.

7. TROUBLESHOOTING

7.1 Stability Issues

If the table feels wobbly after assembly, ensure all screws and bolts are fully tightened. Verify that the table is placed on a flat, even surface. If issues persist, re-check the assembly steps.

7.2 Missing Parts

If any parts are missing from the package, please contact HOMCOM customer support for assistance.
