## Protuning IK.802.210.50

# BODBYN Drawer Front User Manual

Model: IK.802.210.50 | Brand: Protuning

## PRODUCT OVERVIEW

---

The BODBYN drawer front features a framed design with a beveled panel, providing a distinct and traditional character. Its soft grey finish adds a sophisticated touch of color to your kitchen. This drawer front is designed to integrate seamlessly with compatible cabinet systems.

## SETUP AND ASSEMBLY

---

Assembly is required for the BODBYN drawer front. Please ensure you have all necessary components and tools before beginning. Refer to the specific assembly instructions provided with your cabinet system for detailed steps on attaching the drawer front.

### General Assembly Steps:

- 1. Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list.
- 2. Prepare Drawer Box:** Ensure your drawer box is fully assembled and ready for the front attachment.
- 3. Attach Mounting Hardware:** Secure the appropriate mounting brackets or screws to the back of the drawer front as per your cabinet system's instructions.
- 4. Align and Secure:** Align the drawer front with the drawer box and secure it using the provided hardware. Adjust as necessary for proper alignment and gaps.

5. **Install Handles/Knobs:** If applicable, drill holes and install your chosen handles or knobs onto the drawer front.

## OPERATING INSTRUCTIONS

---

The BOBBYN drawer front functions as the visible exterior of your drawer unit. Its operation is dependent on the drawer runners and cabinet system it is attached to. Ensure smooth opening and closing by regularly checking the drawer runners for any obstructions or wear.

- **Smooth Movement:** Always open and close drawers gently to prevent undue stress on the drawer front and its mounting hardware.
- **Weight Distribution:** Avoid overloading drawers, as excessive weight can affect the alignment and smooth operation of the drawer front over time.

## MAINTENANCE AND CARE

---

To maintain the appearance and longevity of your BODBYN drawer front, follow these care instructions:

- **Cleaning:** Wipe clean with a damp cloth and a mild cleaner. Avoid abrasive cleaners, scouring pads, or chemical solvents that can damage the surface.
- **Drying:** Always wipe dry with a clean cloth after cleaning to prevent water spots or moisture damage.
- **Spills:** Immediately wipe up any spills, especially acidic liquids, to prevent staining or damage to the finish.
- **Heat and Moisture:** Protect the drawer front from excessive heat and moisture. Use trivets or protective mats for hot items placed near the drawer front.

## TROUBLESHOOTING

---

If you encounter issues with your BODBYN drawer front, consider the following:

- **Misalignment:** If the drawer front appears crooked or uneven, check the mounting hardware and adjust the screws on the drawer runners or brackets. Ensure the drawer box itself is level and square.
- **Sticking/Rough Movement:** Clean the drawer runners and ensure they are free of debris. Lubricate with a silicone-based spray if necessary, avoiding contact with the drawer front's finish.
- **Surface Marks:** For minor scuffs, try cleaning with a soft, damp cloth. For deeper marks, consult a professional or refer to specific repair kits for engineered wood surfaces.

## SPECIFICATIONS

---

Feature	Detail
Model Number	IK.802.210.50
Brand	Protuning
Material	Engineered Wood
Color	Grey
Style	Raised Panel
Assembled Width	59.7 cm (23.5 inches)
Assembled Height	39.7 cm (15.6 inches)
System Width (Nominal)	60 cm (23.6 inches)
System Height (Nominal)	40 cm (15.7 inches)
Thickness	1.9 cm (0.75 inches)
Assembly Required	Yes

## WARRANTY AND SUPPORT
