2. SAFETY INFORMATION

- **Maximum Weight Recommendation:** The desk is designed to support a maximum weight of 450 pounds. Each shelf can bear 35 pounds. Do not exceed these limits.
- **Assembly Caution:** Exercise caution during assembly, especially when handling screws and wooden components. Wear gloves to prevent splinters or minor injuries from fiber material.
- **Stability:** Ensure all connections are securely tightened. The desk includes adjustable leg pads to maintain stability on uneven floors.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly.
- **Placement:** Place the desk on a flat, stable surface. Avoid placing it in direct sunlight or near heat sources to prevent material damage.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

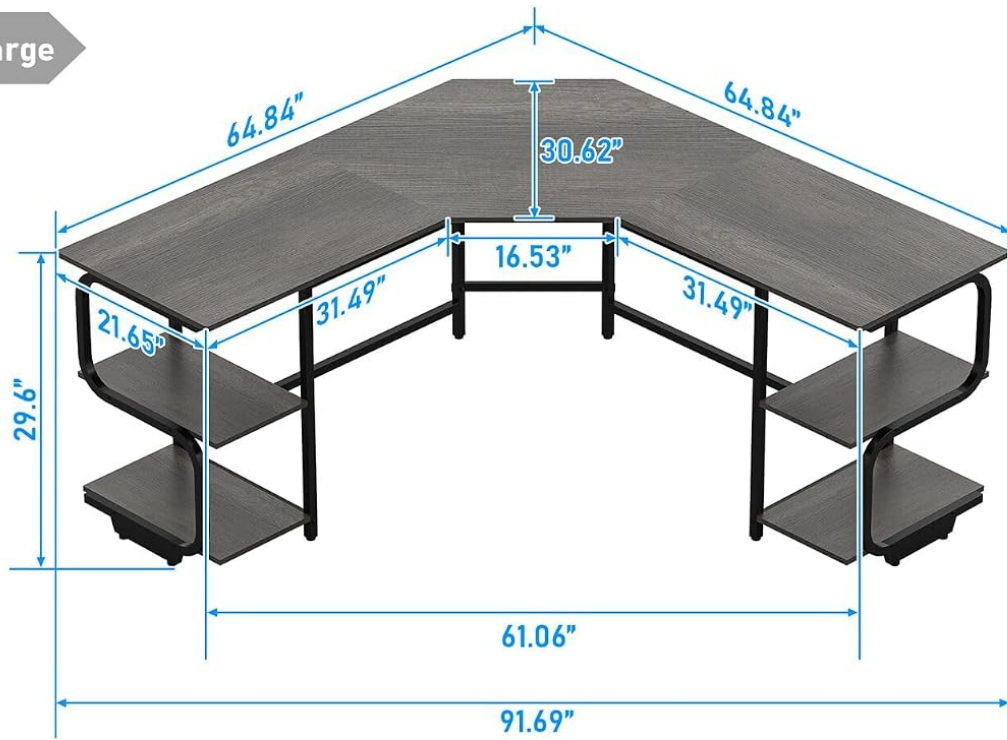

- Desktop Panels (L-shaped sections)
- Metal Frame Components
- 4-Tier Shelf Panels
- Adjustable Leg Pads
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (basic tools may be included, but personal tools are recommended for efficiency)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people and can take approximately 2 hours. Follow these steps carefully:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part by referring to the included parts list.
2. **Assemble Frame:** Begin by connecting the main metal frame components. Ensure all connections are finger-tightened initially.
3. **Attach Desktop Panels:** Secure the desktop panels to the frame. Note that some users have reported minor gaps between panels; ensure proper alignment before fully tightening screws.
4. **Install Shelves:** Attach the 4-tier shelf panels to the designated frame sections. These shelves are detachable, allowing for flexible storage configurations.
5. **Install Adjustable Leg Pads:** Screw the adjustable leg pads into the bottom of the desk legs.
6. **Final Tightening:** Once all components are in place and aligned, gradually tighten all screws and bolts. Avoid over-tightening.

5. SETUP AND USAGE

5.1. Desk Orientation

The L-shaped design allows for flexible placement in a corner or against a wall. The 4-tier shelves can be positioned on either the left or right side during assembly to suit your preference.

5.2. Workspace Optimization

- **Monitor Placement:** The spacious desktop accommodates multiple monitors. A compatible hole is provided for installing a monitor stand.
- **Storage:** Utilize the detachable 4-tier shelves for books, printers, computer towers, decorations, and other office supplies. Adjust shelf height as needed.
- **Cable Management:** Plan your cable routing to maintain a tidy workspace. The desk design allows for efficient cable organization.
