Brand: DaVinci | Model: F11981NX

## INTRODUCTION

The Colby 4-in-1 Convertible Mini Crib is a compact and practical solution for your nursery, designed to grow with your child. It features clean lines and a spacious, built-in trundle drawer for convenient storage. This crib is Greenguard Gold Certified, ensuring a healthier environment for your baby.

## Key Features:

- **GREENGUARD GOLD CERTIFIED:** Rigorously tested for over 10,000 chemical emissions and VOCs, contributing to cleaner indoor air.
- **GROWS WITH BABY:** Features 4 adjustable mattress positions to adapt as your baby develops from newborn to sitting and standing. Converts to a mini toddler bed, daybed, and twin-size bed (conversion kits sold separately).
- **QUALITY MATERIAL:** Constructed from solid sustainable New Zealand pinewood and TSCA compliant engineered wood.
- **FOR YOUR BABY'S SAFETY:** Finished with a non-toxic multi-step painting process, free from lead and phthalates.
- **INTEGRATED STORAGE:** Includes a spacious trundle drawer for convenient under-crib storage.

## SETUP AND ASSEMBLY

The Colby Mini Crib is designed for straightforward assembly. While detailed step-by-step instructions are provided in the packaging, here are some general guidelines and important features:

- **Assembly Time:** Users report assembly can typically be completed within 30 minutes to an hour.
- **Adjustable Mattress Positions:** The crib offers 4 adjustable mattress positions. For newborns, the mattress can be set at the highest level for easy access. As your baby grows and begins to sit or stand, lower the mattress position to ensure safety and prevent climbing out.

## OPERATING INSTRUCTIONS

### Trundle Drawer Usage:

The integrated trundle drawer provides convenient storage directly beneath the crib. It features two separate compartments, offering ample space for blankets, sheets, diapers, or other nursery essentials. To open, gently pull the handle. To close, push the drawer back until it is fully recessed under the crib.

### **Mattress Height Adjustment:**

The crib's mattress support can be adjusted to four different heights. This allows you to customize the crib for your baby's developmental stage, ensuring safety and ease of access. Always ensure the mattress is at the lowest position once your baby can sit up unassisted or pull themselves to a standing position.

### **MAINTENANCE AND CARE**

To maintain the quality and longevity of your Colby Mini Crib, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using abrasive cleaners or strong chemicals that could damage the finish.
- **Regular Inspection:** Periodically check all screws, bolts, and hardware to ensure they are tight and secure. Do not overtighten.

- **Mattress Pad:** The crib includes a 1" waterproof pad. Ensure it is clean and dry before placing it back in the crib.

## TROUBLESHOOTING

### Common Issues and Solutions:

- **Trundle Drawer Sticking/Off Track:** If the trundle drawer becomes difficult to open or close, or slides off its track, inspect the rails for any obstructions or misalignment. Ensure the crib is on a level surface.
- **Mattress Comfort/Fit:** The included 1" waterproof pad is standard. If you desire additional comfort or a thicker mattress, ensure any replacement mattress meets the mini crib size requirements and fits snugly without gaps to prevent entrapment hazards.
- **Odor:** A slight odor may be present upon unboxing due to the non-toxic finish. This is normal and will dissipate quickly in a well-ventilated area.
