Spigen Liquid Air P ACS02831

Spigen Liquid Air P Case Instruction Manual

For Samsung Galaxy S21 Ultra 5G

PRODUCT OVERVIEW

The Spigen Liquid Air P case is specifically designed for the Samsung Galaxy S21 Ultra 5G, offering robust protection and a dedicated compartment for the S-Pen stylus. This case combines flexible Thermoplastic Polyurethane (TPU) with Polycarbonate (PC) for durability and a comfortable grip. Its slim profile ensures compatibility with wireless charging while providing essential defense against daily wear and accidental drops.

- **S-Pen Storage:** Features an integrated side compartment for secure S-Pen storage.
- **Air Cushion Technology:** Reinforced corners absorb impact, providing certified drop protection.
- **Precise Fit:** Exact cutouts ensure easy access to all ports and responsive button operation.
- **Material:** Constructed from flexible TPU and durable Polycarbonate.
- **Wireless Charging:** Fully compatible with wireless charging functionality.

The Spigen Liquid Air P case provides a secure fit and S-Pen storage for the Samsung Galaxy S21 Ultra 5G.

INSTALLATION GUIDE

1. Installing the Case

1. Ensure your Samsung Galaxy S21 Ultra 5G is clean and free of dust or debris.
2. Align the top edge of your phone with the top edge of the case.
3. Gently push the phone into the case, starting from the top, then working your way down to ensure all corners are securely fitted.
4. Verify that all buttons and ports are correctly aligned with the case's cutouts.

Carefully insert your device into the case, ensuring a snug fit.

2. S-Pen Installation

The case features a dedicated compartment for the S-Pen stylus (S-Pen not included). Proper orientation is crucial for a secure fit.

- Locate the S-Pen compartment on the side of the case.
- Insert the S-Pen stylus with the Samsung logo facing either the front or the back of the case. The S-Pen will not fit correctly if the logo and button are facing the side of the compartment.
- Gently push the S-Pen until it is fully seated within the compartment.

Proper S Pen stylus installation.

Logo and button facing side. ❌

The logo should face the back or the front of the case. Not to the side, it will not fit.

Logo facing front or back. ✅

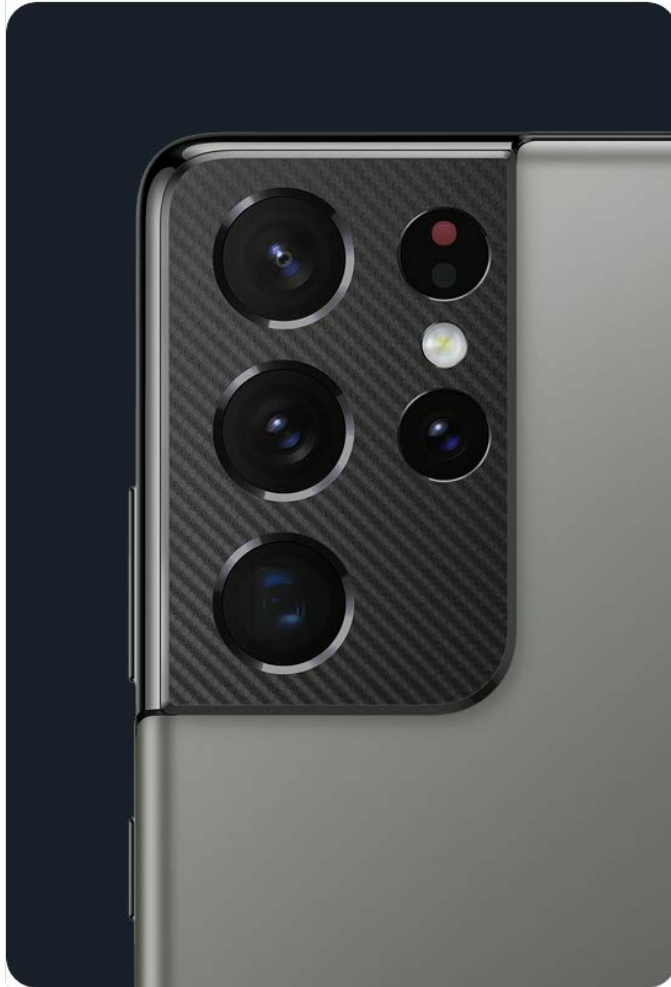

Ensure the S-Pen logo faces the front or back of the case for proper installation.

Only compatible with Galaxy S21 Ultra.

*S Pen stylus not included.

Only the **S Pen stylus** is
compatible with the case.
No other pens are compatible.

(EJ-PG998BBEGUS)

The S-Pen compartment is designed exclusively for the Samsung Galaxy S21 Ultra S-Pen stylus.

USAGE AND FEATURES

S-Pen Access

The integrated S-Pen compartment allows for convenient storage and quick access to your S-Pen. Simply slide the S-Pen out when needed and slide it back in for secure storage.

Button and Port Access

The case features precise cutouts for all ports, speakers, and the charging port, ensuring full functionality without obstruction. The button covers are designed to be tactile and responsive, maintaining the original click feel of your device's buttons.

Wireless Charging Compatibility

The slim design of the Liquid Air P case ensures full compatibility with wireless charging pads. You do not need to remove the case to charge your device wirelessly.

The case provides a sleek look while keeping the S-Pen readily accessible.

Close-up views highlight the precise engineering of the S-Pen compartment and responsive button design.

CARE AND MAINTENANCE

To maintain the appearance and functionality of your Spigen Liquid Air P case, follow these simple care instructions:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid harsh chemicals or abrasive cleaners, as these may damage the material.
- **Dust Removal:** Periodically remove the case from your phone and clean both the phone and the inside of the case to prevent dust and debris accumulation that could scratch your device.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use to prevent material degradation.

TROUBLESHOOTING

S-Pen Does Not Fit Securely

If your S-Pen feels loose or does not fit properly, ensure it is inserted with the Samsung logo facing either the front or back of the case. Incorrect orientation (logo facing the side) will prevent a secure fit.

Dust or Debris Under the Case

It is normal for small amounts of dust to accumulate over time. To prevent potential scratches to your device, periodically remove the case and clean both your phone and the interior of the case with a soft, lint-free cloth.

PRODUCT SPECIFICATIONS

Brand	Spigen
Model Name	Liquid Air P
