Safety Information

- **Choking Hazard - Small Parts:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended.
- Keep batteries out of reach of small children. If swallowed, seek immediate medical attention.

- Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Dispose of used batteries properly according to local regulations.

Package Contents

Verify that all items listed below are present in your package:

- 1x Pikachu Deluxe Collector Statue Figure
- Accessories (as included with the figure)

Setup

Battery Installation

The Pikachu Deluxe Collector Statue Figure requires 3 AAA batteries for its light effects. Batteries are not included.

1. Locate the battery compartment on the base of the figure.
2. Using a small Phillips head screwdriver (not included), carefully open the battery compartment cover.
3. Insert 3 new AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery compartment cover and secure it with the screw.

Note: Ensure the screw is tightened sufficiently to prevent the cover from falling off, but do not overtighten.

Placement

Place the statue on a stable, flat surface away from direct sunlight, extreme temperatures, or moisture to preserve its condition and light effects.

Operating Instructions

Light FX Activation

The Electro Ball and surrounding clouds on the Pikachu statue are designed to light up. Locate the activation button, typically on the base of the figure, and press it to illuminate the translucent electricity pieces.
The light feature is designed to turn off automatically after a period to conserve battery life.

Your browser does not support the video tag.

Posing the Figure

The figure is designed in an epic battle pose, summoning a glowing Electro Ball. While the main pose is fixed, ensure all components are securely attached and handle with care to avoid damage.

Maintenance

- **Cleaning:** Use a soft, dry cloth to gently wipe the figure. Avoid abrasive cleaners or solvents, as these may damage the finish or paint.
- **Storage:** Store the figure in a cool, dry place, away from direct sunlight and extreme temperatures, to prevent discoloration or material degradation.
- **Battery Replacement:** If the light effects dim or stop working, replace all 3 AAA batteries with new ones, following the battery installation steps.

Troubleshooting

Problem	Solution

Problem	Solution
Light effects are not working or are dim.	◦ Ensure batteries are correctly installed with proper polarity. ◦ Replace old batteries with new AAA batteries. ◦ Check if the battery compartment cover is securely closed.
Figure appears unstable.	◦ Ensure the figure is placed on a completely flat and stable surface. ◦ Verify that all parts of the figure are properly assembled and seated.
