## SONGX SX06

# SONGX True Wireless Earbuds SX06 User Manual

Model: SX06

## 1. Introduction

Thank you for choosing the SONGX True Wireless Earbuds SX06. These earbuds are designed to provide a superior audio experience with advanced features such as noise cancellation, a unique Star Loop Design charging case, in-ear detection, and intuitive touch controls. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

## 2. Package Contents

Please verify that all items are present in your package:

- SONGX True Wireless Earbuds SX06 (Left and Right)
- Charging Case
- Three Pairs of Ear-Tips (Sizes: Small, Medium, Large)
- Micro-USB Charging Cable
- User Manual (This document)

## 3. Setup

### 3.1 Initial Charging

Before first use, fully charge the earbuds and the charging case. The charging case supports both wireless charging and TYPE-C fast charging.

1. Connect the Micro-USB cable to the charging case and a power source.
2. Alternatively, place the charging case on a compatible wireless charging pad.
3. Ensure the earbuds are placed inside the charging case to charge them simultaneously.

The earbuds work for over 5 hours on a single charge, and the charging case extends the total usage time up to 30 hours.

### 3.2 Ear-Tip Selection and Wearing

Selecting the correct ear-tip size is crucial for comfort and sound quality. The package includes three pairs of ear-tips (S/M/L).

1. Try each size to find the one that provides a secure fit and good seal in your ear canal.
2. The earbuds feature a streamlined ergonomic design combined with three support points for a comfortable and stable fit.
3. Gently insert the earbuds into your ears, rotating slightly until they feel snug and comfortable.

**Important:** Please tear off the transparent plastic film on the earplug before use to prevent connection issues or lack of sound.

### 3.3 One-Step Pairing

The SONGX SX06 earbuds offer a seamless one-step pairing process:

1. Ensure Bluetooth is enabled on your smartphone or device.
2. Open the charging case and take out both earbuds.
3. The earbuds will automatically enter pairing mode and connect to your phone (after being paired for the first time).
4. The Halo Light on the earbuds will illuminate when taken out of the charging case, indicating they are active.
5. On your device's Bluetooth settings, select "SONGX SX06" from the list of available devices to complete the pairing.

## 4. Operating Instructions

### 4.1 Smart Click Control (G-sensor)

The earbuds utilize an advanced gravity sensor for intuitive touch control. You can manage music playback, calls,

and voice assistant without operating your phone.

| Mode | Action | Function |
|---|---|---|
| Music Mode | Single Click | Play / Pause |
| Music Mode | Double Click | Next Song |
| Incoming Call Mode | Single Click | Answer Call |
| Incoming Call Mode | Double Click | Hang Up Call |
| Idle Mode | Single Click | Play (if paused) |
| Idle Mode | Double Click | Activate Voice Assistant |

Image: A visual guide demonstrating the G-sensor click times and their corresponding functions for music and call control.

## 4.2 Power On/Off

- **Power On:** The earbuds automatically power on when removed from the charging case.
- **Power Off:** Place the earbuds back into the charging case. They will automatically disconnect and begin charging.

## 5. Maintenance

### 5.1 Cleaning and Care

To maintain the performance and appearance of your earbuds:

- Regularly clean the ear-tips and the mesh grilles of the earbuds with a soft, dry, lint-free cloth.
- Avoid using abrasive materials or harsh chemicals.
- Ensure the charging contacts on both the earbuds and the case are clean and free of debris.

### 5.2 Water Resistance

The SONGX SX06 earbuds are designed to be waterproof and sweatproof, featuring a stainless steel polishing process for durability. While they can withstand splashes and sweat, they are not intended for submersion in water. Avoid prolonged exposure to water.

Image: A visual representation highlighting the waterproof and sweatproof capabilities of the earbuds, emphasizing their durability.

## 6. Troubleshooting

If you encounter any issues with your SONGX SX06 earbuds, please refer to the following common solutions:

- **No Sound or Disconnection:** Ensure the transparent plastic film on the earplugs has been removed. Check if the earbuds are fully charged. Re-pair the earbuds with your device.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device and the earbuds are out of the charging case. Forget the device from your phone's Bluetooth list and try pairing again.
- **Charging Issues:** Verify that the charging cable is securely connected or the wireless charging pad is active. Clean the charging contacts on both the earbuds and the case.
- **Unresponsive Touch Controls:** Ensure the earbuds are properly seated in your ears. A firm, comfortable fit is necessary for the G-sensor to function correctly.

If the problem persists after trying these steps, please contact customer support.
