## 5. TROUBLESHOOTING

---

### 5.1 Missing Pieces

If you discover a missing piece, first thoroughly check the puzzle box, packaging, and surrounding area. Sometimes pieces can stick together or get misplaced during sorting. If a piece is genuinely missing, please contact Trefl customer support.

### 5.2 Pieces Don't Fit

Ensure you are attempting to connect the correct pieces. Puzzle pieces are uniquely cut and will only fit perfectly with their designated counterparts. If a piece seems forced, it is likely incorrect. Re-examine the shapes and patterns.
