2. Safety Information

Please observe the following safety guidelines to prevent injury or damage to the product:

- Do not exceed the weight capacity of**175 pounds** on the countertop.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Be careful around moving parts to avoid pinch points.
- Do not sit or stand on the countertop.
- Keep children away from the cart when in use.

3. Package Contents

Before beginning assembly, ensure all parts listed in the included assembly instructions are present and undamaged. The package typically includes:

- Main body panels (side panels, back panel, bottom panel, top panel)
- Drawer components (front, back, sides, bottom)
- Cabinet doors and hinges
- Adjustable shelves and shelf pins
- Stainless steel countertop
- Caster wheels (4, with 2 lockable)

- Drawer slides, handles, spice rack, towel bar, wine rack components
- Assembly hardware (screws, dowels, cam locks, etc.)
- Allen Key (included for convenience)
- Step-by-step assembly instructions

4. Assembly Instructions

The kitchen island cart comes with detailed step-by-step assembly instructions, numbered parts, and hardware. An Allen Key is included. For best results, follow the provided instructions carefully.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the parts list in your instruction manual to ensure everything is present.
2. **Assemble the Main Frame:** Connect the side panels to the bottom and back panels using the provided hardware. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the designated areas on the main frame and to the drawer box components.
4. **Assemble the Drawer:** Construct the drawer box and attach the front panel and handle. Insert the drawer into the installed slides.
5. **Attach Cabinet Doors:** Secure the hydraulic hinges to the cabinet doors and then attach the doors to the main frame. Adjust hinges for proper alignment.
6. **Install Shelves and Wine Rack:** Place the adjustable shelves at your desired height using the shelf pins. Assemble and install the wine rack.
7. **Attach Stainless Steel Top:** Carefully place and secure the stainless steel countertop to the top of the assembled frame.
8. **Install Casters:** Attach the four caster wheels to the bottom of the cart. Ensure the two lockable casters are positioned for easy access.
9. **Attach Accessories:** Install the spice rack and towel bar to the sides of the cart as indicated in the manual.

Image 4.2: Illustration of the multi-directional and lockable caster wheels for mobility and stability.

5. Operation

Your Yaheetech Kitchen Island Cart is designed for versatile use in your kitchen or dining area.

- **Drawer:** The pull-out drawer operates on full extension metal slides, providing concealed storage for items like silverware and napkins.
- **Wine Rack:** A dedicated small wine rack can securely hold up to 4 bottles of wine.
- **Open Shelves and Cabinets:** Utilize the open shelves and enclosed cabinets to store utensils, small appliances, and other kitchen essentials.
- **Spice Rack and Towel Bar:** The integrated spice rack keeps small bottles organized, and the towel bar provides convenient access to kitchen towels.
- **Mobility:** The cart is equipped with four caster wheels for easy movement. Two of these casters are lockable to secure the island in a stationary position when needed.
- **Adjustable Shelves:** The interior shelf of the side cabinet and the open shelf can be adjusted to three different heights (24cm/9.4 inch, 30.2cm/12 inch, 36.5cm/14.4 inch) to accommodate various item sizes.

Image 5.2: Demonstration of the adjustable shelf height capability.

6. Maintenance

To maintain the appearance and longevity of your kitchen island cart:

- Clean the surfaces regularly with a **dry cloth**.
- Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- For the stainless steel top, use a stainless steel cleaner for best results, wiping in the direction of the grain.
- Periodically check all hardware connections and tighten if necessary to ensure stability.

7. Troubleshooting

If you encounter any issues with your kitchen island cart, refer to the following common solutions:

- **Wobbly Cart:** Ensure all screws and fasteners are securely tightened. Check that the casters are properly installed and locked when stationary.
- **Drawer Not Sliding Smoothly:** Verify that the drawer slides are correctly aligned and free of obstructions. Lubricate slides if necessary.
- **Cabinet Doors Misaligned:** Adjust the hydraulic hinges to correct door alignment. Refer to the assembly instructions for hinge adjustment details.
- **Missing Parts:** If any parts are missing upon unboxing, contact Yaheetech customer support immediately with your product model number and a description of the missing components.

8. Specifications

Feature	Detail
Model Number	YT-00101373
