› User Manual: sparefixd Refrigerator-Freezer Drawer Front for Beko FXF5033W FXS5043S FXS5043W

sparefixd 4332070100

User Manual: sparefixd Refrigerator-Freezer Drawer Front

Brand: sparefixd

Model: 4332070100

1. INTRODUCTION

This manual provides essential information for the installation, use, and maintenance of your sparefixd Refrigerator-Freezer Drawer Front. This product is a direct replacement part designed to restore the functionality and appearance of your appliance's freezer or refrigerator drawer.

The drawer front is made from durable Acrylonitrile Butadiene Styrene (ABS) plastic, ensuring a clear and robust component for your appliance.

2. COMPATIBILITY

This sparefixd drawer front (part number 4332070100) is compatible with various Beko refrigerator-freezer models. It is crucial to verify your appliance's model number to ensure proper fitment. The model number is typically located inside the refrigerator or freezer compartment, often behind a salad or freezer drawer, or on the side or rear of the appliance.

Compatible Beko Models include:

- FREEZ53FW
- FREEZ53W
- FXF5033S
- FXF5033W
- FXS5043S
- FXS5043W
- UF584APS
- UF584APW
- UM584APW
- ZA130S
- ZA130W
- ZA553B
- ZA630S
- ZA630W
- ZA635FW
- ZA90S
- ZA90W
- ZA95FS
- ZA95FW

If your model number is not listed, please compare the dimensions provided in the specifications section with your existing drawer front to confirm compatibility.

3. INSTALLATION INSTRUCTIONS

Installing the sparefixd drawer front is a straightforward process. No special tools are typically required.

1. **Prepare the Appliance:** Ensure the refrigerator or freezer is safely accessible. If replacing a broken drawer front, carefully remove any remaining pieces of the old front from the drawer basket.
2. **Identify Attachment Points:** Observe the existing drawer basket. There are usually slots or grooves on the sides of the drawer basket where the drawer front slides into place.
3. **Align the New Drawer Front:** Take the new sparefixd drawer front. Align the tabs or edges of the drawer front with the corresponding slots or grooves on the drawer basket.
4. **Slide into Place:** Gently slide the drawer front downwards or forwards (depending on the drawer design) until it clicks securely into position. Ensure it is flush and stable.
5. **Test Functionality:** Once installed, gently pull and push the drawer to ensure the new front is securely attached and the drawer operates smoothly.

Image 3.1: Angled view of the drawer front, showing the side attachment points. These points slide into the drawer basket.

Image 3.2: Rear view of the drawer front, highlighting the structural elements that connect to the drawer frame.

4. OPERATING THE DRAWER

Once the drawer front is installed, the drawer operates as normal. Use the integrated handle area to pull the drawer open and push it closed. Avoid excessive force when opening or closing to prevent damage to the drawer or its runners.

5. CARE AND MAINTENANCE

To ensure the longevity and clarity of your sparefixd drawer front, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the drawer front regularly with a soft cloth dampened with warm water and a mild dish soap. Avoid abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch or damage the ABS plastic.
- **Drying:** After cleaning, dry the drawer front thoroughly with a clean, dry cloth to prevent water spots.
- **Handling:** Always handle the drawer front with care, especially during removal or reinstallation, to prevent accidental drops or impacts.

6. TROUBLESHOOTING

If you encounter issues with your new drawer front, consider the following:

- **Drawer Front Does Not Fit:**
 - Double-check your appliance's model number against the compatible models list.
 - Verify the dimensions of the new drawer front against your old one or the drawer opening.

- Ensure the drawer front is oriented correctly and the attachment points are aligned with the drawer basket's slots.
- **Drawer Sticks or Is Difficult to Open/Close:**
 - Confirm the drawer front is fully seated and securely attached to the drawer basket.
 - Check the drawer runners inside the appliance for any obstructions or damage.
- **Visible Damage (Cracks, Scratches):**
 - If the product arrived damaged, contact the seller immediately for assistance.
 - Damage from impact or improper handling may require replacement.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	sparefixd
Part Number (Model)	4332070100
Product Dimensions (L x W x H)	41.3 x 21.3 x 0.03 cm (16.26 x 8.39 x 0.01 inches)
Material	Acrylonitrile Butadiene Styrene (ABS)
