4. SETUP

1. **Initial Charge:** Before first use, fully charge the tablet using the provided USB cable and power adapter. The battery indicator will show charging status.
2. **Power On/Off:** Press and hold the power button located on the side of the tablet until the screen lights up to power on. To power off, press and hold the power button, then select "Power off" from the options.
3. **Screen Protector Removal:** A thin protective film may be present on the screen. Grasp a corner and gently peel it off before use for optimal display clarity.
4. **First-time Setup:** Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account. This process may take 1-3 minutes.

5. BASIC OPERATION

Familiarize yourself with the following touch gestures for navigating your tablet:

- **Tap:** Touch an item or app icon once to select or launch it.
- **Long-tap:** Press and hold an item to reveal additional options or move it.
- **Slide:** Swipe up, down, left, or right to navigate between screens or scroll through content.
- **Drag:** Tap and hold an icon on the main screen, then move your finger to reposition it.
- **Pinch & Spread:** Use two fingers to zoom in or out on photos, maps, or web pages.

6. CONNECTIVITY

Wi-Fi Connection

To connect your tablet to a Wi-Fi network:

1. Go to **Settings**.
2. Tap on **Network & internet**.
3. Select **Wi-Fi** and ensure it is turned on.
4. Choose your desired Wi-Fi network from the list of available networks.
5. Enter the network password if prompted, then tap **Connect**.

icons, indicating access to Google services and a wide range of apps.

7. CAMERA USAGE

The MARVUE Pad M10 is equipped with dual cameras to capture moments and facilitate video communication.

- **Rear Camera:** 8 Megapixels, suitable for general photography.
- **Front Camera:** 2 Megapixels, ideal for video calls and selfies.

To use the camera, open the "Camera" application. You can switch between front and rear cameras, adjust settings, and capture photos or videos.

8. STORAGE AND PERFORMANCE

Your tablet comes with 32GB of internal storage for your apps, photos, and files. If more space is needed, you can expand the storage using a microSD card (up to 128GB, sold separately).

The 1.6GHz Quad-Core Processor and 2GB RAM ensure smooth operation for daily tasks, web browsing,

and light gaming.

9. BATTERY MANAGEMENT

The tablet is equipped with a 5000mAh battery, providing approximately 6 hours of average usage depending on activity. To maximize battery life:

- Reduce screen brightness.
- Turn off Wi-Fi or Bluetooth when not in use.
- Close unused applications running in the background.
- Enable battery saver mode in settings.

Lasting Long Battery

Up to 6 Hrs Entertainment

10. MAINTENANCE

Proper care and maintenance will extend the life of your tablet:

- Keep the tablet dry and away from extreme temperatures.
- Clean the screen with a soft, lint-free cloth. Avoid harsh chemicals.
- Protect the screen from scratches with a screen protector.
- Avoid dropping the tablet.

11. TROUBLESHOOTING

If you encounter issues with your MARVUE Pad M10, refer to the following common solutions:

Problem	Solution
Tablet does not turn on	Ensure the tablet is fully charged. Press and hold the power button for at least 10-15 seconds to perform a forced restart.

Problem	Solution
Wi-Fi connection issues	Check if Wi-Fi is enabled in settings. Restart your Wi-Fi router. Ensure you are within range of the Wi-Fi signal. Forget the network and reconnect.
Slow performance	Close unused applications. Clear cache data from apps. Consider performing a factory reset (backup data first).
Screen unresponsive	Perform a forced restart. If the issue persists, contact customer support.
