1. SETUP

1.1 Unboxing and Components

Upon opening the package, ensure all components are present:

- Urbanista Miami Wireless Over-Ear Headphones

- Charging Cable (USB-C)
- Audio Cable (3.5mm Jack)
- Flight Adapter
- Hard Travel Case
- User Manual (this document)

1.2 Charging the Headphones

Before first use, fully charge your Urbanista Miami headphones. Connect the USB-C charging cable to the charging port on the headphones and the other end to a USB power source (e.g., computer, wall adapter). The LED indicator will show charging status and turn off when fully charged. A full charge provides approximately 50 hours of playback.

1.3 Bluetooth Pairing

To pair your headphones with a device:

1. Ensure the headphones are powered off.
2. Press and hold the power button for 5-7 seconds until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Urbanista Miami" from the list.
5. Once connected, the LED indicator will show a solid blue light.

The headphones utilize Bluetooth 5.0 for stable and efficient wireless connectivity.

2. OPERATING INSTRUCTIONS

2.1 Power On/Off

- **Power On:** Press and hold the power button for 3 seconds. The LED will flash blue.
- **Power Off:** Press and hold the power button for 5 seconds. The LED will flash red and then turn off.

2.2 Active Noise Cancellation (ANC) and Ambient Sound Mode

The Urbanista Miami headphones feature Active Noise Cancellation (ANC) to reduce ambient noise and an Ambient Sound Mode to allow important sounds to pass through.

- **Activate ANC:** Press the ANC button once. The LED will turn green.
- **Activate Ambient Sound Mode:** Press the ANC button a second time. The LED will turn purple.
- **Deactivate:** Press the ANC button a third time. The LED will turn off.

2.3 Music Playback and Call Management

Use the multifunction button located on the earcup for controlling audio and calls:

- **Play/Pause:** Press the multifunction button once.
- **Next Track:** Press the multifunction button twice.
- **Previous Track:** Press the multifunction button three times.
- **Answer/End Call:** Press the multifunction button once during an incoming call or an active call.
- **Reject Call:** Press and hold the multifunction button for 2 seconds during an incoming call.

2.4 Volume Control

Adjust the volume using the dedicated volume buttons on the earcup:

- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

2.5 Voice Assistant

Activate your device's voice assistant (Siri, Google Now) by pressing and holding the multifunction button

for 2 seconds.

2.6 On-Ear Detection

The headphones feature integrated on-ear detection. Music playback will automatically pause when you remove the headphones and resume when you put them back on.

3. MAINTENANCE

3.1 Cleaning

To maintain the condition of your headphones:

- Wipe the earcups and headband with a soft, dry, lint-free cloth.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.
- Avoid getting moisture into any openings.

3.2 Storage

When not in use, store your headphones in the provided hard travel case to protect them from dust,

scratches, and impacts. This also helps organize the charging cable and flight adapter.

3.3 Battery Care

To prolong battery life:

- Avoid fully discharging the battery frequently.
- Store the headphones with a partial charge if not used for extended periods.
- Avoid extreme temperatures.

4. TROUBLESHOOTING

Common Issues and Solutions:

Problem	Solution
Headphones do not power on.	Ensure the headphones are charged. Connect to a power source using the USB-C cable.

Problem	Solution
Cannot pair with device.	- Ensure headphones are in pairing mode (flashing blue/red LED). - Make sure Bluetooth is enabled on your device. - Move headphones closer to the device. - Forget "Urbanista Miami" from your device's Bluetooth settings and try pairing again.
No sound or low volume.	- Check volume levels on both headphones and the connected device. - Ensure headphones are properly connected via Bluetooth or 3.5mm audio cable. - Re-pair the headphones if using Bluetooth.
ANC not working effectively.	- Ensure ANC is activated (green LED). - Check that the earcups form a good seal around your ears.

Frequently Asked Questions (FAQs)

- **Q: Will these headphones work with a Smart TV?**
  A: Yes, as long as the TV has Bluetooth, they will function correctly.
- **Q: Can I use the headphones with my computer?**
  A: Yes, all Urbanista products can be used with a laptop (MAC/PC).
