HOMCOM Elegant Buffet with Hutch User Manual

Model: US835-343V80GY0131

INTRODUCTION

Thank you for choosing the HOMCOM Elegant Buffet with Hutch. This manual provides essential information for the safe assembly, operation, and maintenance of your new kitchen pantry storage cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image: The HOMCOM Elegant Buffet with Hutch, a grey storage cabinet featuring an upper hutch with framed glass doors, a central drawer, and lower cabinet doors.

SAFETY INFORMATION

Your safety is paramount. Please observe the following precautions:

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all parts are securely fastened before use. Do not overtighten screws.
- This cabinet includes an anti-tipping device. It is crucial to secure the cabinet to a wall using this device to prevent accidental tipping, especially in households with children or pets.
- Do not exceed the maximum weight capacity of 77 lbs (35 kg) for the entire unit. Distribute weight evenly.
- Keep small parts and packaging materials away from children during assembly.

ANTI-TOPPLING DESIGN

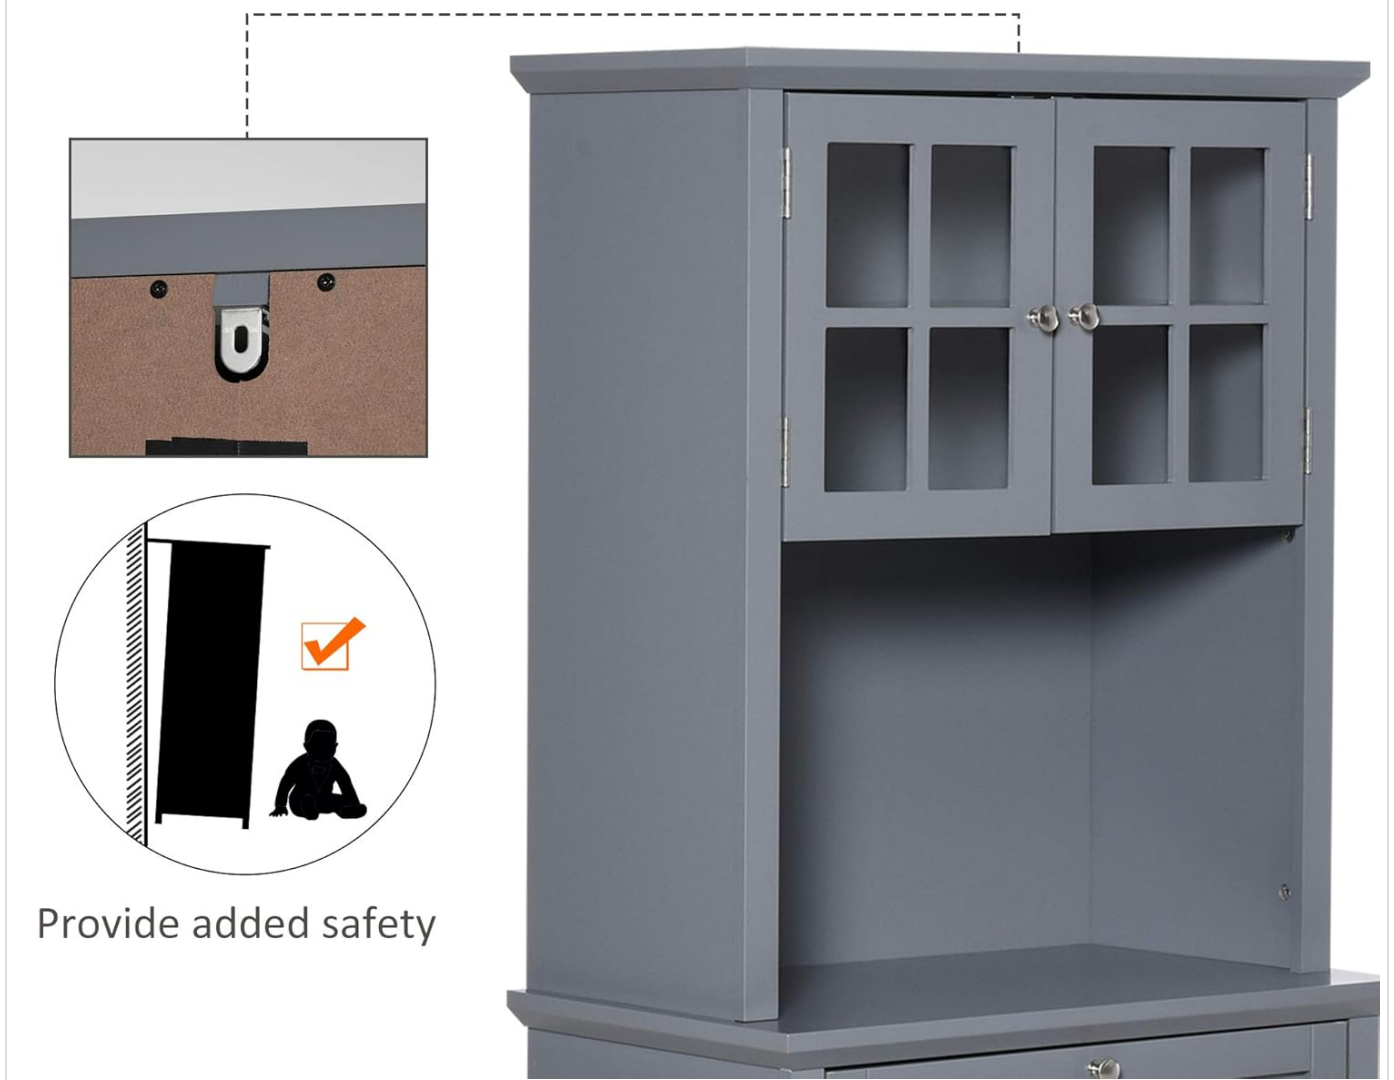

Image: A close-up showing the anti-toppling device on the back of the cabinet, with an illustration demonstrating how to secure it to a wall for safety.

SETUP AND ASSEMBLY

Assembly of your HOMCOM Buffet with Hutch requires careful attention to detail. All components are labeled to facilitate the process.

Before You Begin:

- Unpack all components and verify against the parts list (not provided in this manual, refer to your product packaging for the complete list).
- Organize all hardware and panels. This will significantly speed up the assembly process.
- A power screwdriver is highly recommended for efficient assembly due to the number of screws.
- Ensure you have adequate space for assembly.

Assembly Tips:

- Follow the pictorial instructions provided with your product packaging step-by-step.

- Pay close attention to the orientation of each panel, especially for shelves and doors.
- For the microwave space, you may need to create a cutout in the back panel for the power cord if one is not pre-drilled.
- If glass doors appear off-centered, minor adjustments to the hinges or re-drilling screw holes may be necessary for proper alignment.

64.5"

Image: A diagram illustrating the overall dimensions of the cabinet: 27 inches wide, 15.75 inches deep, and 64.5 inches high.

OPERATING AND USAGE

The HOMCOM Elegant Buffet with Hutch is designed to provide versatile storage solutions for your kitchen, dining room, or living area.

Storage Features:

- **Upper Hutch:** Features multi-tier shelving behind framed glass doors, ideal for displaying crockery, glassware, or decorative items.
- **Open Middle Space:** Designed to accommodate kitchen appliances such as a microwave or coffee maker.
- **Central Drawer:** Provides convenient storage for smaller items like napkins, towels, or silverware.
- **Lower Cabinets:** Offer ample room for dishes, pots, pans, dry goods, or plastic containers, keeping them organized and dust-free.

Adjustable Shelves:

The interior shelves are adjustable, allowing you to customize the storage space to fit taller items like pitchers or blenders. Shelves can also be removed entirely to create larger compartments.

AMPLE STORAGE SPACE

Keep your things well organized with the help of this elegant pantry

- 1 X Open Storage Space
- 1 X Wide Drawer
- 2 X Large Cabinets

Adjustable Shelf

MAINTENANCE

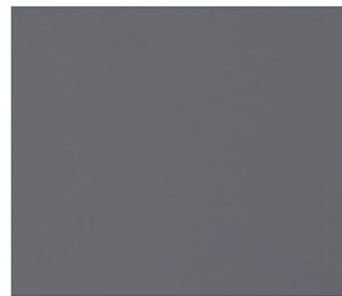

To ensure the longevity and appearance of your HOMCOM Buffet with Hutch, follow these simple maintenance guidelines:

- Clean surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the painted finish.
- Wipe up spills immediately to prevent staining or warping of the engineered wood.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- Avoid placing hot items directly on the surface without protective padding.
- If a slight odor is present upon unboxing, ensure the room is well-ventilated. The odor should dissipate within a few days.

DURABLE MATERIAL

- Framed Tempered Glass Door

- MDF Board

- Premium Hardware

Image: A detailed view highlighting the durable MDF board construction, framed tempered glass doors, and premium metal hardware of the cabinet.

TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions:

Problem	Possible Cause / Solution
Difficulty with Assembly	Ensure all parts are correctly identified and oriented according to the pictorial instructions. Verify all hardware is present. Using a power screwdriver can significantly ease the process.
Doors or Drawer Misaligned	Check hinge adjustments. If pre-drilled holes are misaligned, carefully create new pilot holes for proper fit. Ensure the cabinet is on a level surface.

Problem	Possible Cause / Solution
Missing or Damaged Parts	Contact HOMCOM customer support immediately with your product model number and a description of the missing/damaged part. Do not attempt to force assembly with incorrect parts.
Strong Odor from Cabinet	This can occur with new furniture. Ensure the room is well-ventilated by opening windows and doors. The odor should dissipate over several days.
No Cutout for Appliance Cord	If placing an appliance in the open middle space, you may need to use a drill hole saw cutter tool to create an opening in the back panel for the power cord.
