FLEXISPOT 48x24" Maple Desktop

FLEXISPOT 48"x24" Maple Desktop Instruction Manual

Brand: FLEXISPOT | Model: 48x24" Maple Desktop

1. INTRODUCTION

This document provides essential information for the FLEXISPOT 48"x24" Maple Desktop. This product is a standalone tabletop designed for use with compatible height-adjustable desk frames. It is not a complete desk unit and does not include a frame or lifting mechanism.

2. PRODUCT FEATURES

- **Dimensions:** 48 inches wide, 24 inches deep, and 1 inch thick.
- **Material:** Constructed from environmentally friendly medium-density fiberboard (MDF) that meets CARB and FSC standards, with a durable, scratch-resistant high-pressure laminate finish.
- **Safety Design:** Features soft rounded corners to minimize the risk of bumps or bruises.
- **Water Resistance:** The laminate surface offers water resistance, making it easy to clean and maintain.

DIMENSIONS & FUNCTIONALITY

3. SPECIFICATIONS

Attribute	Detail
Brand	FLEXISPOT
Model	48x24" Maple Desktop
Shape	Rectangular
Product Dimensions (D x W x H)	24"D x 48"W x 1"H
Color	Maple
Top Material Type	Engineered Wood (MDF)
Finish Type	Laminate
Tabletop Thickness	1 Inch
Required Assembly	Yes (for attaching to a desk frame)

4. SETUP AND ASSEMBLY

This desktop is designed for easy integration with compatible desk frames. Follow the assembly instructions provided with your specific desk frame for proper attachment. Ensure all mounting points align correctly and screws are tightened securely to prevent wobbling.

General Steps for Attaching Desktop to Frame:

1. Carefully unbox the desktop and inspect for any damage.
2. Place the desktop upside down on a soft, clean surface to prevent scratches.
3. Align your desk frame (purchased separately) with the pre-drilled holes or designated mounting areas on the underside of the desktop.
4. Secure the desk frame to the desktop using the screws and tools provided with your desk frame. Ensure all connections are firm.
5. Carefully flip the assembled desk upright. It is recommended to have assistance due to the weight.

5. OPERATING INSTRUCTIONS

Once the desktop is securely attached to a compatible height-adjustable desk frame, refer to the operating manual of your specific desk frame for instructions on adjusting height, using memory presets, and other functions. The desktop itself does not have operational controls.

6. MAINTENANCE

- **Cleaning:** Wipe the desktop surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the laminate finish.
- **Spills:** Although water-resistant, promptly wipe up any spills to prevent potential damage over time.
- **Heat:** Avoid placing extremely hot items directly on the surface. Use coasters or protective pads as needed.
- **Weight Distribution:** Distribute weight evenly across the desktop to maintain stability and prevent undue stress on the desk frame.

7. TROUBLESHOOTING

If you experience issues with desk stability or height adjustment, first consult the troubleshooting section of your desk frame's instruction manual. Ensure all screws attaching the desktop to the frame are securely tightened. If problems persist, contact FLEXISPOT customer support.

8. WARRANTY AND SUPPORT

For warranty information and customer support regarding your FLEXISPOT desktop, please refer to the documentation included with your purchase or visit the official FLEXISPOT website. Keep your proof of purchase for warranty claims.
