Baby Trend Portable Playard with Bassinet, Twinkle Grey User Manual

Model: PY91E11G

Brand: Baby Trend

INTRODUCTION

Welcome to your Baby Trend Portable Playard with Bassinet. This manual provides essential information for the safe and proper assembly, use, and maintenance of your playard. Please read all instructions carefully before use and keep this manual for future reference.

Important Safety Information

- Always ensure all locking mechanisms are securely engaged before placing a child in the playard.
- Never leave a child unattended in the playard.
- Do not use the bassinet feature for children who can push up on their hands and knees, or who weigh more than 15 lbs (6.8 kg), or are taller than 25 inches (63.5 cm), whichever comes first.
- The playard is designed for children under 35 inches (88.9 cm) tall and weighing less than 30 lbs (13.6 kg).
- Only use the mattress/pad provided by the manufacturer. Do not add extra padding.
- Keep all cords, strings, and small items away from the playard to prevent strangulation hazards.
- Regularly inspect the playard for damaged hardware, loose joints, missing parts, or sharp edges. Do not use if any parts are damaged or missing.

SETUP AND ASSEMBLY

The Baby Trend Portable Playard is designed for quick and easy setup. Follow these steps to assemble your playard.

Unfolding the Playard

1. Remove the playard from its travel tote bag.
2. Stand the playard upright and separate the legs slightly.

3. Pull up on the center of each side rail until they are fully locked into place. Listen for an audible "click" to confirm engagement.
4. Push down on the center hub of the playard floor until it lies flat and is securely locked.
5. Place the mattress/pad firmly into the bottom of the playard.

Attaching the Bassinet (if applicable)

For infants, the removable full-size bassinet provides a higher sleeping surface.

1. Ensure the playard is fully assembled and stable.
2. Attach the bassinet fabric to the top rails of the playard using the provided clips or zippers, ensuring it is securely fastened on all four sides.
3. Insert the bassinet support bars (if separate) into the designated sleeves on the bassinet fabric.
4. Place the mattress/pad on top of the bassinet support.

Folding the Playard for Storage or Travel

The playard features a one-hand locking mechanism for easy compact folding.

1. Remove the mattress/pad and any bassinet attachments.
2. Locate the release buttons on the center of each side rail. Press these buttons to unlock the rails.
3. Pull up on the center strap or handle on the playard floor to begin folding.
4. Bring all four legs together, ensuring the side rails fold inward.
5. Wrap the mattress/pad around the folded playard and secure it with the attached straps.
6. Place the folded playard into the travel tote bag.

OPERATING THE PLAYARD

The Baby Trend Portable Playard is designed for versatility and ease of use.

Mobility

The playard is equipped with two large wheels with brakes for greater mobility and stability. To move the playard, lift the end without wheels slightly and roll it to the desired location. Engage the wheel brakes when the playard is stationary to prevent accidental movement.

Ventilation and Visibility

The mesh sides of the playard provide excellent ventilation and allow for clear visibility of your child from various angles.

MAINTENANCE AND CARE

Proper care will extend the life of your Baby Trend Portable Playard.

- **Cleaning:** Use only household mild soap and warm water to clean the fabric and frame. Do not use bleach.
- **Washing:** Do not machine wash any components of the playard. Hand wash only.
- **Drying:** Allow all parts to air dry completely before folding or storing.
- **Storage:** Store the playard in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check all parts for wear, damage, or loose fasteners. Replace worn or broken parts immediately.

TROUBLESHOOTING

If you encounter any issues with your playard, refer to the following common solutions:

Problem	Solution
Playard will not lock into place.	Ensure the center hub of the playard floor is pulled up before attempting to lock the side rails. The side rails must lock first, then push down the center hub.
Playard is difficult to fold.	Make sure the center hub of the playard floor is fully pulled up before attempting to unlock the side rails. All side rails must be unlocked before the playard can be fully folded.
Bassinet does not attach securely.	Verify that all clips or zippers are correctly aligned and fully engaged around the playard's top rails.
