Paladone 8080

Official Minecraft TNT Light with Game Sounds

User Instruction Manual

Brand: Paladone | Model: 8080

INTRODUCTION

Thank you for purchasing the Official Minecraft TNT Light with Game Sounds. This unique light is designed to bring the iconic Minecraft TNT block to life in your home, complete with authentic game sounds. It functions as a mood light, desk lamp, or nightlight, perfect for any Minecraft enthusiast.

Figure 1: The Minecraft TNT Light in its retail packaging.

PRODUCT FEATURES

- **Authentic Game Sounds:** Activates the official Minecraft TNT sound upon interaction.
- **Iconic Design:** Faithfully replicates the pixelated, 3D TNT block from Minecraft.
- **Versatile Lighting:** Functions as a mood light, desk lamp, or nightlight.
- **Battery Powered:** Portable and can be placed anywhere without the need for an outlet.
- **Durable Construction:** Made from high-quality plastic.

SETUP

Battery Installation

1. Locate the battery compartment on the bottom of the TNT Light.
2. Using a small Phillips head screwdriver (not included), unscrew the battery compartment cover.

3. Insert 3 x AAA batteries (not included) into the compartment, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

Figure 2: Battery compartment located on the underside of the light. Requires 3 AAA batteries.

OPERATING INSTRUCTIONS

Turning On/Off and Sound Activation

The Minecraft TNT Light is operated by pressing down on the top surface of the block.

- To turn the light **ON**: Gently press down on the top of the TNT block. The light will illuminate, and you will hear the characteristic Minecraft TNT explosion sound.
- To turn the light **OFF**: Press down on the top of the TNT block again. The light will turn off.

NIGHTLIGHT WITH SOUND

PUSH DOWN FOR LIGHT AND TO HEAR AN EXPLOSION

Sssssssss BOOM!

Figure 3: The TNT Light illuminates and produces sound when pressed.

MAINTENANCE

- Cleaning:** Wipe the surface of the light with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- Battery Care:** If the light will not be used for an extended period, remove the batteries to prevent leakage and damage.
- Storage:** Store the light in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on or sound does not play.	Batteries are dead or incorrectly installed.	Check battery polarity and replace with new AAA batteries.
Sound is distorted or too quiet.	Low battery power.	Replace batteries.

Problem	Possible Cause	Solution
Light flickers.	Low battery power or loose connection.	Replace batteries. Ensure battery compartment is securely closed.
