BLANCO 442916

BLANCO Diamond Silgranit Super Single Undermount Kitchen Sink (Model 442916) Instruction Manual

Comprehensive guide for installation, operation, and maintenance of your BLANCO kitchen sink.

1. INTRODUCTION

The BLANCO Diamond Silgranit Super Single Undermount Kitchen Sink is designed for functionality and durability. This manual provides essential information for the proper installation, use, and care of your new sink.

This sink features a large single bowl, ideal for various kitchen tasks including rinsing, washing, soaking, and straining. Its undermount design allows for easy countertop cleaning, as crumbs and spills can be wiped directly into the sink.

Constructed from SILGRANIT, a patented granite composite material, this sink offers resistance to heat, scratches, stains, chips, and impacts. The non-porous, hygienic surface repels liquids and residue, contributing to low maintenance and easy cleaning.

2. SETUP AND INSTALLATION

This BLANCO sink is designed for undermount installation. Proper installation is crucial for optimal performance and longevity. It is recommended that installation be performed by a qualified professional.

2.1 Pre-Installation Checks

- Verify all components are present as listed in the packaging. Included components are installation instructions and a template.
- Inspect the sink for any damage prior to installation.
- Ensure the cabinet base meets the minimum size requirement of 36 inches.

2.2 Installation Requirements

The sink requires an undermount installation. A template is provided to assist with accurate countertop cutout. Follow the detailed instructions provided in the included installation guide for precise steps.

3. OPERATING INSTRUCTIONS

The BLANCO Diamond Silgranit Super Single Undermount Kitchen Sink is designed for standard kitchen use. Its large single bowl accommodates various tasks efficiently.

3.1 General Use

- Use the sink for washing dishes, preparing food, and other typical kitchen activities.
- The generous depth and width allow for easy handling of large pots, pans, and baking sheets.
- The integrated drain features a lift and turn mechanism for efficient water drainage and debris collection.

4. MAINTENANCE AND CARE

Maintaining your BLANCO SILGRANIT sink is straightforward due to its durable and hygienic properties. Regular cleaning will preserve its appearance and functionality.

4.1 Daily Cleaning

- For routine cleaning, use baking soda and a soft sponge. Gently scrub the sink surface and rinse thoroughly with water.
- Avoid abrasive cleaners, harsh chemicals, or steel wool, as these can damage the surface finish.

- The HYGIENIC+PLUS surface technology inhibits bacteria growth by up to 98%, making daily cleaning effective.

4.2 Stain Removal

- For stubborn stains, a diluted solution of white vinegar or a specialized granite composite sink cleaner can be used. Always test on an inconspicuous area first.
- Rinse the sink thoroughly after using any cleaning agents.

4.3 Material Properties

The SILGRANIT material is highly resistant to heat, scratches, stains, chips, and impacts. It is designed not to blister, burn, melt, or discolor from hot items placed directly from the oven.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your BLANCO SILGRANIT sink. For complex problems, contact BLANCO customer support or a qualified plumber.

5.1 Water Spots or Mineral Deposits

- **Issue:** White spots or film appear on the sink surface.
- **Solution:** These are typically mineral deposits from hard water. Use a solution of 50% white vinegar and 50% water. Apply, let sit for 5-10 minutes, then scrub with a soft brush or sponge and rinse thoroughly.

5.2 Scratches or Abrasions

- **Issue:** Minor surface marks or scratches.
- **Solution:** While SILGRANIT is highly scratch-resistant, superficial marks can occur. Often, these are metal marks from pots or utensils. Use a non-abrasive cleaner and a soft sponge to gently rub the affected area. For deeper marks, consult BLANCO's official care guide or customer service.

5.3 Discoloration

- **Issue:** Sink appears discolored or stained.
- **Solution:** Ensure proper cleaning as described in Section 4. If discoloration persists, it might be due to prolonged exposure to strong chemicals or certain food dyes. Refer to BLANCO's specific care recommendations for severe discoloration.

6. SPECIFICATIONS

Feature	Detail
Brand	BLANCO
Model Number	442916
Product Dimensions (Overall)	33.5" L x 18.5" W x 9.5" D
Minimum Cabinet Size	36 inches
Material	SILGRANIT (Granite Composite)
Color	Coal Black
Installation Type	Undermount
