Child Craft F33201.77

Child Craft Kieran 4-in-1 Convertible Baby Crib Instruction Manual

Model: F33201.77 (Crescent Gray)

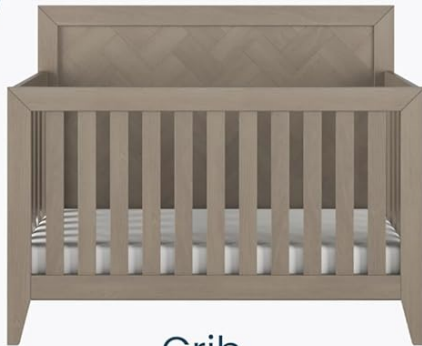

1. INTRODUCTION AND OVERVIEW

This manual provides essential information for the safe assembly, use, and maintenance of your Child Craft Kieran 4-in-1 Convertible Baby Crib. Please read all instructions carefully before assembly and retain this manual for future reference. The Child Craft Kieran crib is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed. Conversion kits for the toddler bed and full-size bed are sold separately.

4-in-1 Crib

2. SAFETY INFORMATION

Your child's safety is paramount. This crib is designed and engineered to meet or exceed applicable safety standards. Always follow these guidelines:

- Ensure all parts are correctly assembled and fasteners are tightened securely before use.
- Do not use the crib if any parts are missing, damaged, or broken. Contact Child Craft for replacement parts.
- The mattress support must be adjusted to the appropriate height for your child's age and developmental stage.
- Keep cords, blinds, and other potential strangulation hazards away from the crib.
- This product features a non-toxic, baby-safe coating.

3. SETUP AND ASSEMBLY

Assembly of the Child Craft Kieran crib requires careful attention to detail. Refer to the separate assembly instructions provided with your product for step-by-step guidance. Ensure all hardware is present and accounted for before beginning assembly.

Adjustable Mattress Support

The crib features a sturdy metal mattress support with multiple height positions to accommodate your growing infant and toddler. Adjust the mattress height as follows:

1. **Newborn Position:** Highest setting for easy access to your infant.
2. **Sitting Position:** Middle setting when your child begins to sit up unassisted.
3. **Standing Position:** Lowest setting when your child can stand to prevent climbing out.

Always ensure the mattress support is securely locked into place at the desired height.

4. OPERATING INSTRUCTIONS (CONVERSION)

The Kieran crib is designed for long-term use and can be converted into a toddler bed, daybed, and full-size bed. Each conversion requires specific kits, which are sold separately.

- **Toddler Bed Conversion:** To convert the crib to a toddler bed, you will need the Child Craft Toddler Guard Rail (sold separately, Model F09554). Follow the instructions provided with the guard rail for proper installation.
- **Daybed Conversion:** The daybed configuration typically involves removing the front rail of the crib. Specific instructions will be included with your product or conversion kit.
- **Full-Size Bed Conversion:** To convert to a full-size bed, you will need the Child Craft Full-Size Bed Rails (sold separately, Model F06424). Refer to the instructions accompanying the bed rails for assembly.

Always ensure all components are securely attached and stable after each conversion.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Child Craft Kieran crib.

- **Cleaning:** Wipe the crib surfaces with a damp cloth. Avoid abrasive cleaners or strong chemicals, as these can damage the finish.
- **Inspections:** Regularly check all screws, bolts, and fasteners to ensure they are tight. Re-tighten as necessary.
- **Storage:** If storing the crib, disassemble it carefully and store all parts in a dry, temperature-controlled environment.

6. TROUBLESHOOTING

If you encounter issues with your Child Craft Kieran crib, consider the following:

- **Loose Parts:** If any parts feel loose, re-tighten all fasteners. Do not overtighten.
- **Squeaking:** Check all joints and fasteners. A small amount of lubricant on metal-to-metal connections (if applicable and safe for children's products) may help, but consult manufacturer guidelines first.
- **Difficulty with Conversion:** Ensure you have the correct conversion kits and are following the specific instructions provided with those kits.

For persistent issues or concerns, contact Child Craft customer support.

7. SPECIFICATIONS

Brand	Child Craft
Model Number	F33201.77
Color	Crescent Gray
Product Dimensions (L x W x H)	55"L x 29"W x 44"H
