MAINTENANCE

To maintain the appearance and integrity of your Battle Cat building set:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with clean water and air dry completely. Avoid harsh chemicals or

abrasive materials.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model by its main body parts rather than delicate extremities to avoid accidental detachment of pieces.

TROUBLESHOOTING

If you encounter issues during assembly or with the completed model:

- **Missing Pieces:** Double-check the packaging and surrounding area for any small pieces. If pieces are genuinely missing, contact customer support (see Warranty and Support section).
- **Assembly Difficulties:** Re-examine the instruction booklet for the specific step. Ensure all pieces are oriented correctly and firmly pressed into place. Sometimes, a small piece may be overlooked or incorrectly positioned.
