# Simmons Kids Asher 6-in-1 Convertible Crib

Model: W346150-1373

Brand: Delta Children

## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Delta Children Simmons Kids Asher 6-in-1 Convertible Crib. Please read all instructions carefully before assembly and use to ensure the safety of your child and the longevity of the product.

The Asher 6-in-1 Convertible Crib is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, sofa, and eventually a full-size bed with or without a footboard. This versatility makes it a long-lasting investment for your nursery.

## SAFETY INFORMATION

Your child's safety is our top priority. This crib is JPMA certified, meeting or exceeding all safety standards set by the CPSC & ASTM. It features a non-toxic, multi-step painting process that is lead and phthalate safe.

- Always ensure all hardware is securely tightened before use.
- Do not use the crib if any parts are missing, damaged, or broken. Contact Delta Children for replacement parts.
- Never place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not place toys with strings or cords in the crib.
- The maximum weight recommendation for the crib is 50 pounds.

## SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two adults for assembly. Please ensure all parts are present before beginning.

### Parts List:

- Crib End Panels
- Side Rails
- Mattress Support
- Hardware Pack (screws, barrel nuts, Allen wrench)

- Toddler Guardrail Kit (included)

## Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Attach the side rails to the end panels using the provided hardware. Ensure all connections are secure.
3. Install the adjustable height mattress support at the desired level. There are 3 convenient positions to grow with your baby.
4. Place a standard size crib mattress (sold separately) onto the support.

## MAINTENANCE

Proper care will help maintain the appearance and structural integrity of your crib.

- Clean regularly with a damp cloth.
- Immediately wipe dry after cleaning to prevent moisture damage.
- Avoid using abrasive cleaners or strong chemicals, as these can damage the finish.
- Periodically check all screws and bolts to ensure they are tight. Do not overtighten.

## TROUBLESHOOTING

If you encounter any issues with your crib, please refer to the following common solutions:

- **Wobbly Frame:** Check all connections and tighten any loose screws or bolts. Ensure the crib is on a flat, level surface.
- **Parts Missing/Damaged:** Do not attempt to use the product. Contact Delta Children customer support for replacement parts.
- **Unusual Odor:** A new product may have a slight odor upon unboxing. This typically dissipates within a few days in a well-ventilated area.
