realme Buds Air 2

realme Buds Air 2 True Wireless Earbuds User Manual

Model: Buds Air 2

1. Introduction

This manual provides detailed instructions for the proper use and maintenance of your realme Buds Air 2 True Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

2. What's in the Box

Verify that all items are present in the package:

- realme Buds Air 2 Earbuds with Charging Case
- USB Type-C Charging Cable
- Eartips (various sizes)
- User Guide (this document)

3. Product Overview

Familiarize yourself with the components of your realme Buds Air 2.

Image: Both realme Buds Air 2 earbuds displayed outside the charging case, highlighting their in-ear design and stem.

3.1 Earbuds

- **Touch Control Area:** For managing playback, calls, and modes.
- **Microphones:** For calls and Active Noise Cancellation.
- **Eartips:** Replaceable for comfort and sound isolation.
- **Charging Contacts:** Connect with the charging case.

3.2 Charging Case

- **Charging Port:** USB Type-C for charging the case.
- **Indicator Light:** Displays charging status and pairing status.
- **Function Button:** Used for pairing and resetting.

4. Setup

4.1 Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure the charging contacts align.
2. Connect the USB Type-C charging cable to the charging port on the case and to a power adapter (not included).
3. The indicator light on the case will show the charging status. A solid green light typically indicates a full charge.

It is recommended to fully charge the earbuds and case before first use.

4.2 Pairing with a Device

1. Ensure the earbuds are in the charging case and the lid is open.
2. Press and hold the function button on the charging case for 3 seconds until the indicator light flashes white. This indicates pairing mode.

3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "realme Buds Air 2" from the list of available devices to connect.
5. Once connected, the indicator light on the case will turn off.

For subsequent connections, the earbuds will automatically connect to the last paired device when taken out of the case.

5. Operating Instructions

5.1 Touch Controls

The realme Buds Air 2 feature intelligent touch controls on each earbud. Default functions are as follows:

- **Double-tap:** Play/Pause music, Answer/End call.
- **Triple-tap:** Next song.
- **Press and hold one earbud:** Switch between Noise Control modes (ANC On/Transparency/Normal).
- **Press and hold both earbuds:** Enter/Exit Gaming Mode.

These controls can be customized via the realme Link app.

5.2 Noise Control Modes

The earbuds offer three noise control modes:

- **Active Noise Cancellation (ANC):** Reduces ambient noise for an immersive listening experience.
- **Transparency Mode:** Allows you to hear your surroundings clearly without removing the earbuds.
- **Normal Mode:** Standard audio experience without noise cancellation or transparency.

Switch between modes by pressing and holding one earbud.

5.3 Gaming Mode

Activate Gaming Mode to reduce audio latency, providing a more synchronized audio-visual experience during gaming. Press and hold both earbuds simultaneously to toggle Gaming Mode.

5.4 Smart Wear Detection

The earbuds automatically pause music playback when removed from your ears and resume when put back in. This feature can be enabled or disabled in the realme Link app.

6. realme Link App

Download the realme Link app from your device's app store to unlock additional features and customization options, including:

- Customizing touch controls.
- Adjusting sound effects (e.g., Bass Boost+).
- Firmware updates.
- Checking battery levels.
- Enabling/disabling Smart Wear Detection.

7. Maintenance

7.1 Cleaning

- Regularly clean the earbuds, eartips, and charging contacts with a soft, dry, lint-free cloth.
- Remove eartips and clean them separately with water and mild soap if necessary, ensuring they are completely dry before reattaching.
- Do not use harsh chemicals or abrasive materials.

7.2 Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid exposing the product to extreme temperatures, humidity, or dust.

8. Troubleshooting

If you encounter issues, try the following solutions:

8.1 Earbuds Not Pairing

- Ensure both earbuds are in the charging case and have sufficient battery.
- Close the case, wait a few seconds, then open it and try pairing again.
- On your device, forget "realme Buds Air 2" from your Bluetooth settings and attempt to pair again.
- **Reset:** With earbuds in the case and lid open, press and hold the function button for 10 seconds until the indicator light flashes red and then white. This will reset the earbuds to factory settings.

8.2 No Sound or Low Volume

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears.
- Clean any debris from the earbud mesh.
- Reconnect the earbuds to your device.

8.3 Charging Issues

- Verify the charging cable is securely connected to both the case and the power source.
- Try a different USB Type-C cable and power adapter.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of obstruction.

9. Specifications

Feature	Detail
