

YOLEO 1

YOLEO Children's Slide with Basketball Hoop Instruction Manual

Model: 1

1. PRODUCT OVERVIEW

The YOLEO Children's Slide with Basketball Hoop is designed to provide a safe and engaging play experience for toddlers. This versatile play equipment can be used both indoors and outdoors, offering a combination of sliding and basketball activities.

- **New Entertainment Modes:** This slide integrates a basketball hoop, allowing children to practice throwing techniques and enhance leg strength while having fun.
- **Stable Frame:** Constructed with a stable triangular design, the slide ensures safety during play. The four feet of the side deflector provide robust support.
- **Enhanced Safety Features:** Wide steps and a practical handrail facilitate safe climbing. High side walls offer support, and the non-slip step pattern further enhances safety.
- **Extended Buffer:** An elongated tail buffer ensures a soft landing, protecting the child's buttocks and spine.
- **Ideal for Toddlers:** The colorful design is appealing to children, providing endless fun with a maximum load capacity of 25 kg.

2. SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions may result in serious injury.

- **Adult Supervision Required:** Always supervise children while they are using the slide.
- **Weight Limit:** Do not exceed the maximum weight capacity of 25 kg (approximately 55 lbs).
- **Age Recommendation:** Suitable for toddlers and young children. Ensure the child is capable of using the slide safely.
- **Proper Placement:** Place the slide on a soft, level surface, away from walls, fences, or other obstacles. Ensure adequate clear space around the slide.
- **Assembly:** Ensure all parts are correctly assembled and securely fastened before allowing children to use the product.
- **Inspection:** Regularly inspect the slide for any loose parts, damage, or wear. Discontinue use if any damage is found.
- **Weather Conditions:** If used outdoors, protect the slide from extreme weather conditions. Do not use in wet or icy conditions.
- **No Standing on Top:** Children should not stand on the top platform or slide head-first.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact YOLEO customer support.

- Slide body (main ramp)
- Stair assembly with handrails
- Basketball hoop and net
- Base supports (if separate)
- Fasteners and tools (if required for assembly)
- Instruction Manual

4. SETUP AND ASSEMBLY

Follow these steps to assemble your YOLEO Children's Slide. Assembly typically requires one adult.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Attach Stair Assembly:** Connect the stair assembly to the main slide body. Ensure the connection points align and click into place or are secured with provided fasteners.
3. **Install Basketball Hoop:** Secure the basketball hoop to the designated attachment point on the stair assembly.
4. **Check Stability:** Once assembled, gently shake the slide to ensure all connections are secure and the structure is stable.

5. OPERATING INSTRUCTIONS

To ensure safe and enjoyable use of the YOLEO Children's Slide:

- **Climbing:** Children should use the wide steps and handrails to climb to the top of the slide.
- **Sliding:** Children should sit down at the top of the slide and slide feet-first. Ensure the landing area is clear.
- **Basketball Hoop:** The integrated basketball hoop allows children to practice throwing. Ensure the ball used is soft and appropriately sized for the hoop.
- **One Child at a Time:** Only one child should be on the slide or climbing stairs at any given time to prevent collisions.

6. MAINTENANCE

Regular maintenance will extend the life of your YOLEO Children's Slide.

- **Cleaning:** Wipe down the slide with a damp cloth and mild soap. Rinse thoroughly and dry. Avoid abrasive cleaners or solvents.
- **Inspection:** Periodically check all connections, screws, and structural components for tightness and integrity. Tighten any loose fasteners.
- **Storage:** If used outdoors, consider storing the slide indoors or covering it during harsh weather to prevent material degradation.

7. TROUBLESHOOTING

If you encounter any issues with your YOLEO Children's Slide, refer to the following common solutions:

Problem	Possible Cause	Solution
Slide feels unstable	Loose connections; uneven surface	Check all fasteners and tighten. Move the slide to a level surface.
Parts do not fit during assembly	Incorrect orientation; manufacturing defect	Review assembly steps carefully. If parts are defective, contact customer support.
Child slides too fast/slow	Clothing material; surface condition	Ensure child is wearing appropriate clothing. Clean the slide surface if it's dirty.

8. SPECIFICATIONS
