

JBL JBLT510BTBLUEU

JBL Tune 510BT Wireless Bluetooth Pure Bass Headphones User Manual

Model: JBLT510BTBLUEU

INTRODUCTION

Thank you for choosing the JBL Tune 510BT Wireless Bluetooth Pure Bass Headphones. This manual provides essential information for setting up, operating, and maintaining your headphones to ensure optimal performance and longevity. Please read this manual thoroughly before using your device.

SAFETY INFORMATION

- Do not expose the headphones to extreme temperatures, humidity, or liquids.
- Avoid dropping or subjecting the headphones to strong impacts.
- Do not disassemble or attempt to repair the headphones yourself. This will void the warranty.
- Listen at moderate volume levels to prevent hearing damage. Prolonged exposure to loud sounds can cause permanent hearing loss.
- Keep out of reach of children.

PACKAGE CONTENTS

Your JBL Tune 510BT package should contain the following items:

- JBL Tune 510BT Wireless On-Ear Headphones
- USB-C Charging Cable
- Quick Start Guide / Safety Sheet (this manual)

SETUP

1. Charging the Headphones

Before first use, fully charge your JBL Tune 510BT headphones. A full charge takes approximately 2 hours. A quick 5-minute charge provides an additional 2 hours of music playback.

- Connect the USB-C charging cable to the charging port on the headphones.
- Connect the other end of the cable to a USB power source (e.g., computer USB port, USB wall adapter).
- The LED indicator on the headphones will show charging status (refer to the Quick Start Guide for specific LED behaviors).

2. Bluetooth Pairing

To connect your headphones to a Bluetooth-enabled device:

1. Power on the headphones by pressing and holding the Power button until the LED indicator flashes blue.

2. The headphones will automatically enter pairing mode if it's the first time using them, or if they are not connected to a previously paired device. The LED will flash rapidly.
3. On your device (smartphone, tablet, computer), go to the Bluetooth settings and turn on Bluetooth.
4. Select "JBL Tune 510BT" from the list of available devices.
5. Once successfully paired, the LED indicator will turn solid blue.

The headphones can remember previously paired devices and will attempt to reconnect automatically when powered on and within range.

OPERATING YOUR HEADPHONES

Power On/Off

- **Power On:** Press and hold the Power button for approximately 2 seconds.
- **Power Off:** Press and hold the Power button for approximately 3 seconds.

Music Control

The JBL Tune 510BT headphones feature media control buttons on the earcup.

- **Play/Pause:** Press the Play/Pause button once.
- **Volume Up:** Press the Volume + button.
- **Volume Down:** Press the Volume - button.
- **Next Track:** Double-press the Play/Pause button.
- **Previous Track:** Triple-press the Play/Pause button.

Call Control

Manage your calls seamlessly with the integrated microphone and controls.

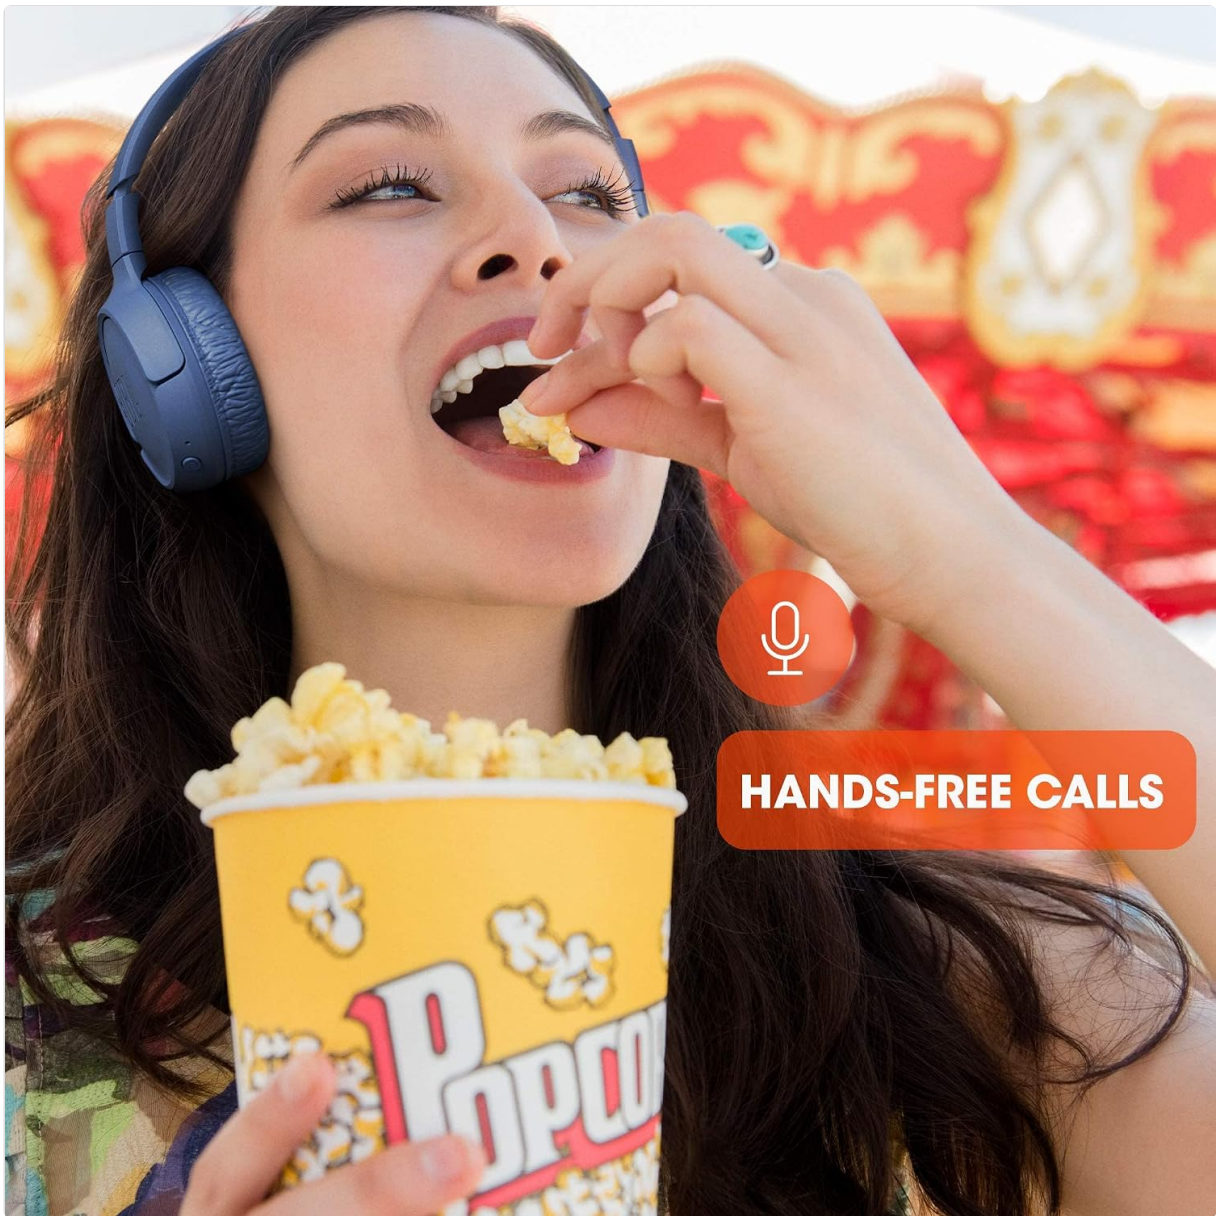

Image: A person wearing the JBL Tune 510BT headphones, illustrating the hands-free call feature.

- **Answer/End Call:** Press the Play/Pause button once.
- **Reject Call:** Press and hold the Play/Pause button for 2 seconds.
- **Switch Between Calls:** During a call, double-press the Play/Pause button to switch to an incoming call or between active calls.

Voice Assistant

Access your device's voice assistant (Siri or Google Assistant) directly from your headphones.

- **Activate Voice Assistant:** Press the Voice Assistant button (often indicated by a microphone icon) once.

MAINTENANCE

Cleaning

- Wipe the headphones with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.

Storage

- When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures.
- Utilize the foldable design for compact storage and protection.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully.
Cannot pair with device.	Bluetooth not enabled on device; headphones not in pairing mode; too far from device.	Ensure Bluetooth is on; put headphones in pairing mode; move closer to device (within 10m/33ft).
No sound or low volume.	Volume too low on headphones or device; headphones not connected.	Increase volume on both; ensure headphones are paired and connected.
Sound quality is poor.	Interference; device too far.	Move away from sources of interference (Wi-Fi routers, other Bluetooth devices); move closer to device.
