

YOLEO 1

YOLEO Children's Slide with Basketball Hoop Instruction Manual

Model: 1

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your YOLEO Children's Slide with Basketball Hoop. Please read it thoroughly before use and retain it for future reference.

The YOLEO Children's Slide is designed for toddlers and young children, offering a fun and engaging play experience both indoors and outdoors. It features a stable structure, wide steps, and an integrated basketball hoop for additional entertainment.

2. SAFETY INFORMATION

WARNING: Adult supervision is required at all times when children are using the slide.

- Ensure all components are securely fastened before each use.
- Place the slide on a flat, stable surface. Do not use on uneven ground.
- Keep the area around the slide clear of obstacles to prevent injuries.
- Maximum weight capacity: 25 kg (55 lbs). Do not exceed this limit.
- Children should slide feet first.
- Do not allow children to climb on the outside of the slide or stand on the top platform for extended periods.
- Regularly inspect the slide for any signs of wear, damage, or loose parts. Discontinue use if damage is found.

- For outdoor use, ensure the slide is not exposed to extreme weather conditions for prolonged periods to prevent material degradation.

Jouez en toute sécurité

Figure 2.1: Safety Features. This image highlights the safety aspects of the slide, including the secure handrail for climbing, the wide and comfortable slide path, enlarged anti-slip steps, and smooth, rounded surfaces to prevent injury.

Conception scientifique est plus sûre

La queue de la toboggan est allongée pour éviter que le bébé ne tombe au sol

Le panneau anti-retournement rehaussé protège la sécurité du bébé

Figure 2.2: Stable and Safe Design. The image demonstrates the slide's stable triangular structure, featuring an extended tail buffer to ensure a soft landing and protect the child's spine. It also shows the anti-rollover panel designed to enhance overall stability during play.

3. PACKAGE CONTENTS

Before assembly, please ensure all parts are present and undamaged. If any parts are missing or damaged, contact customer support.

- Slide main body (slide track, side panels)
- Stairs/Steps
- Basketball hoop and net
- Assembly hardware (screws, caps, etc.)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required. Follow these steps carefully. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify all parts are present against the package contents list.
2. **Attach Side Panels:** Connect the two side panels to the main slide track. Ensure the grooves align correctly and secure them using the provided hardware (screws and caps).
3. **Install Steps:** Insert the steps into the designated slots on the side panels. Press firmly until they click into place or secure with hardware if specified. Ensure steps are level and stable.
4. **Assemble Basketball Hoop:** Attach the basketball hoop support to the designated area on one of the side panels. Secure the hoop and net.
5. **Final Check:** Once assembled, double-check all connections to ensure they are tight and secure. The slide should be stable and not wobble.

Note: Specific assembly diagrams are typically included in the physical manual. Refer to those for detailed visual guidance.

5. OPERATING INSTRUCTIONS

The YOLEO Children's Slide offers multiple play modes for children.

- **Sliding:**

- Ensure the slide is on a stable, level surface.
- Children should climb the steps using the handrails for support.
- At the top, children should sit down and slide feet first.
- Ensure the landing area is clear.

- **Basketball Play:**

- The integrated basketball hoop allows children to practice throwing.
- Use a soft, lightweight ball suitable for young children.
- Ensure children do not hang on the hoop or net.

Figure 5.1: Multiple Play Modes. This image illustrates the various ways children can interact with the slide, including climbing the steps, enjoying the slide, and practicing their basketball skills with the attached hoop.

Figure 5.2: Basketball Play. A child is shown actively playing basketball using the slide's integrated hoop, highlighting the dual functionality of the product.

6. MAINTENANCE

Regular maintenance ensures the longevity and safety of the product.

- **Cleaning:** Wipe down the slide with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the plastic.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight. Retighten if necessary.
- **Storage:** When not in use, especially during adverse weather conditions, store the slide indoors or cover it to protect it from elements. The slide is foldable for easier storage.
- **Damage:** If any part of the slide becomes cracked, broken, or otherwise damaged, discontinue use immediately and replace the affected part or the entire unit.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Slide feels unstable or wobbly.	Loose connections or uneven surface.	Check and tighten all screws and fasteners. Move the slide to a flat, level surface.
Parts do not fit during assembly.	Incorrect orientation or manufacturing defect.	Review assembly instructions and diagrams. Ensure parts are oriented correctly. If issue persists, contact customer support.
Child slides too fast/slow.	Surface friction or clothing.	Ensure the slide surface is clean. Certain clothing materials can affect sliding speed. Always supervise children.

8. SPECIFICATIONS

Feature	Detail
Brand	YOLEO
Model Number	1
Material	Polyethylene
Color	Grey
Overall Dimensions (L x W x H)	125 cm x 66 cm x 115 cm (approximate, based on image)
Slide Width	33 cm (approximate, based on image)
Maximum Weight Capacity	25 kg (55 lbs)
Item Weight	5.5 kg (12.1 lbs)
Assembly Required	Yes
Recommended Age Range	Toddler/Child
