

Turnwin Canvas Band for Lintelek ID205L/ID205S/ID205U

Turnwin Canvas Smartwatch Band Instruction Manual

Model: Canvas Band for Lintelek ID205L/ID205S/ID205U

Brand: Turnwin

1. INTRODUCTION

This manual provides instructions for the Turnwin Canvas Smartwatch Band. This replacement band is designed for comfort and durability, featuring a lightweight, breathable nylon fabric with quick-release pins for easy installation.

Compatibility:

- Lintelek ID205L, ID205S, ID205U Smartwatches
- Aikela Smartwatches
- Putare Smartwatches
- Umidigi Uwatch 3 GPS, Uwatch Ufit, Uwatch GT Smartwatches

The band is suitable for wrist sizes ranging from 5.0 inches to 8.5 inches (130mm-230mm).

2. SETUP AND INSTALLATION

The Turnwin Canvas Smartwatch Band features quick-release pins for straightforward attachment to your compatible smartwatch.

1. **Prepare the Smartwatch:** If a band is currently attached, remove it by locating the quick-release pin on the underside of the existing band. Slide the pin inward to detach the band from the watch lug.
2. **Attach the New Band:** Take one half of the Turnwin Canvas Band. Locate the quick-release pin on the back of the band.
3. **Insert One Side:** Insert one end of the quick-release pin into the corresponding hole on one side of the smartwatch lug.
4. **Engage the Pin:** While holding the band in place, slide the quick-release pin inward. Align the other end of the pin with the opposite hole on the watch lug. Release the pin to secure the band. Gently tug on the band to ensure it is firmly attached.
5. **Repeat for Second Half:** Repeat steps 2-4 for the other half of the band.

3. USAGE AND ADJUSTMENT

The Turnwin Canvas Band is designed for comfortable, everyday wear. Its adjustable buckle allows for a personalized fit.

1. **Wearing the Band:** Place the smartwatch on your wrist. Thread the long end of the band through the buckle and then through the two loops.
2. **Adjusting the Fit:** Pull the band until it feels snug but comfortable on your wrist. Ensure the smartwatch sensor maintains good contact with your skin for accurate readings. The durable buckle and fasteners secure the extra length.

4. MAINTENANCE

To maintain the cleanliness and longevity of your Turnwin Canvas Smartwatch Band, follow these simple cleaning instructions:

- **Removal:** For thorough cleaning, it is recommended to remove the band from your smartwatch using the quick-release pins.
- **Cleaning:** The nylon fabric band is washable. You can clean it with water and a mild soap, or simply wipe it down with a damp cloth or wet wipes.
- **Drying:** Allow the band to air dry completely before reattaching it to your smartwatch. Avoid direct sunlight or high heat, which could damage the fabric.

5. TROUBLESHOOTING

If you encounter any issues with your Turnwin Canvas Smartwatch Band, consider the following:

- **Band Not Attaching Securely:** Ensure the quick-release pins are fully engaged in the watch lugs. Wiggle the band gently after installation to confirm it is locked in place. If the pin feels stuck, ensure it is properly aligned with the lug holes.
- **Discomfort or Skin Irritation:** Ensure the band is not too tight. The nylon material is designed to be breathable and skin-friendly. If irritation persists, clean the band thoroughly and ensure it is dry before wearing.
- **Band Appears Dirty:** Refer to the Maintenance section for cleaning instructions. Regular cleaning helps prevent dirt buildup.
