SETUP

1. **Attaching the Microphone:** Insert the detachable microphone into the 3.5mm jack located on the left ear cup. Adjust the flexible boom to your preferred position.

2. **Connecting via LIGHTSPEED Wireless:** Plug the LIGHTSPEED USB-A receiver into a USB-A port on your PC or compatible device. Power on the headset. The headset should automatically connect.

3. **Connecting via Bluetooth:** Power on the headset. Press and hold the Bluetooth button (indicated by a Bluetooth icon) on the ear cup until the LED indicator blinks rapidly. Select 'Logitech G735' from your device's Bluetooth settings to pair.

4. **Connecting via 3.5mm Aux:** Connect a 3.5mm audio cable (not included) from your device to the 3.5mm aux port on the headset.

OPERATING INSTRUCTIONS

Image: Annotated diagram highlighting key features and controls of the Logitech G735 headset.

- **Power On/Off:** Use the dedicated power button on the ear cup.

- **Volume Control:** Adjust audio levels using the volume roller/buttons on the ear cup.

- **Microphone Mute:** The detachable mic features an on-ear mute button for quick privacy.

- **Dual Audio Mixing:** The headset supports simultaneous audio from two devices (one via Bluetooth, one via LIGHTSPEED or 3.5mm). Use the on-ear controls to mix audio levels between devices, allowing you to balance in-game sound with voice chat or music.

- **LIGHTSYNC RGB Lighting:** The headset features soft, dual-zone LIGHTSYNC RGB lighting with preloaded Play Mood animations. Customize your own lighting effects using the Logitech G HUB software.

- **Blue VO!CE Microphone:** The detachable microphone utilizes Blue VO!CE filters to enhance voice clarity and reduce background noise. Settings can be adjusted via G HUB.

CUSTOMIZATION

Unlock the full potential of your Logitech G735 headset with the free Logitech G HUB software. This software allows you to:

- Customize LIGHTSYNC RGB lighting with 16.8 million programmable colors and animation effects.
- Adjust Blue VO!CE microphone settings for optimal voice clarity and noise reduction.
- Fine-tune audio equalizer settings for personalized sound profiles.

SPECIFICATIONS

Feature	Detail
Model Name	G735

TROUBLESHOOTING

- **Bluetooth Connectivity Issues:** If you experience problems with Bluetooth connectivity, turn off the Bluetooth function on your device for a couple of minutes, then turn it back on and attempt to reconnect.
- **No Audio/Low Volume:** Ensure the headset is powered on and fully charged. Check volume levels on both the headset and your connected device. Verify correct audio output selection in your device's sound settings.
- **Microphone Not Working:** Ensure the microphone is securely attached and not muted. Check microphone input settings on your device and in Logitech G HUB.

MAINTENANCE

To ensure the longevity and optimal performance of your Logitech G735 headset, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the headset. Avoid abrasive cleaners or solvents.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** For optimal battery life, avoid fully discharging the battery frequently. Charge the headset regularly.

WARRANTY AND SUPPORT

The Logitech G735 Wireless Gaming Headset comes with a limited hardware warranty. For detailed warranty information, technical support, or to access additional resources, please visit the official Logitech support website or refer to the documentation included with your product.
