3. SETUP

Setting up your MARVUE C10W Digital Photo Frame is a straightforward process designed for ease of use. Follow these steps to get started:

1. **Connect Power:** Connect your photo frame with the provided power adapter. The device will activate automatically.
2. **Select Language:** Once the logo appears, select your preferred language on the touch screen.
3. **Connect to Wi-Fi:** Connect the photo frame to your Wi-Fi network.
4. **Update Frameo:** The frame may prompt you to update the Frameo app to the newest version. It is recommended to update for optimal performance.
5. **Name Your Frame:** Enter a name for your photo frame and select your timezone.
6. **Download Frameo App:** Download the free Frameo app on your mobile device (available on

App Store for iOS and Google Play for Android).

7. **Connect Mobile Device:** Follow the guidelines shown on your photo frame to connect your mobile device to the frame.
8. **Share Photos/Videos:** Upload your joyful moments and share them with your friends and family through the Frameo app.

For a visual guide on the setup process, please refer to the video below:

4. OPERATING INSTRUCTIONS

The MARVUE C10W features an intuitive touch screen for easy navigation and interaction. Here's how to operate your digital photo frame:

- **Touch Screen Navigation:** Swipe left or right to browse through photos and videos. Tap the screen to access settings and options.
- **Display Orientation:** The frame can be placed in both landscape and portrait modes. It automatically adjusts the display orientation.
- **Wall Mounting:** Utilize the wall mount hole on the back of the frame to display it on a wall.
- **Sharing Content:** Use the Frameo app on your smartphone to instantly send photos and videos to your connected frame from anywhere.

Resolution	1280*800 (WXGA)

Compatible Devices	Smartphone
Screen Size	10.1 Inches
Built-in Memory	16GB
Micro SD Card Support	Up to 32GB

7. TROUBLESHOOTING

If you encounter any issues with your MARVUE C10W Digital Photo Frame, please refer to the following common troubleshooting tips:

- **No Power:** Ensure the power adapter is securely connected to both the frame and a working power outlet.
- **Wi-Fi Connection Issues:** Check your Wi-Fi network status. Restart your router and the photo frame. Ensure the frame is within range of your Wi-Fi signal.
- **Photos Not Displaying:** Verify that photos and videos have been successfully uploaded via the Frameo app. Check the file formats (JPEG/BMP/JPG/PNG for photos, MP4 for videos up to 1920*1080 30FPS).
- **Frameo App Issues:** Ensure your Frameo app is updated to the latest version. Restart the app or your mobile device.
- **Screen Unresponsive:** Try restarting the device by unplugging and re-plugging the power adapter.

For more detailed troubleshooting steps, please consult the full user manual included with your product.

8. WARRANTY AND SUPPORT

MARVUE stands behind the quality of its products. The MARVUE C10W Digital Photo Frame comes with a one-year warranty from the date of purchase.

If you have any questions, require technical assistance, or need to claim your warranty, please do not hesitate to contact our customer service team. We are committed to providing support within 24 hours to ensure your satisfaction.

Please refer to the contact information provided in your product packaging or on the official MARVUE website for assistance.
