

Giantex GT65930-HW

Giantex Bathroom Storage Cabinet with Drawers (Model GT65930-HW) Instruction Manual

Brand: Giantex

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your new Giantex Bathroom Storage Cabinet with Drawers, Model GT65930-HW. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- **Anti-Toppling Device:** To prevent tipping and ensure stability, the cabinet must be securely attached to the wall using the provided anti-toppling device. Failure to do so may result in injury.
- Ensure all screws and fasteners are tightened securely before use.
- Do not overload shelves or drawers. Refer to specifications for weight limits.
- Keep small parts away from children during assembly.

3. PARTS LIST

Before assembly, verify that all components are present and undamaged. Refer to the assembly video for a visual guide to all parts and hardware.

- Cabinet Panels (Left Side, Right Side, Top, Bottom, Divide, Back)
- Drawer Components (Front, Back, Side Panels)
- Cabinet Door
- Adjustable Shelf
- Connect Bars
- Hardware (Cam Bolts, Camlocks, Wooden Dowels, Screws, Magnetic Catch, Hinges, Knob, Knob Bolt, Stoppers, Shelf Pins)
- Anti-Toppling Device Kit

4. SETUP AND ASSEMBLY

Assembly typically requires a screwdriver and may benefit from a drill for pre-drilling holes for the back

panel. Follow the numbered instructions and diagrams carefully.

Assembly Video Guide

Official Giantex assembly video for the Bathroom Floor Cabinet. This video demonstrates the step-by-step process of putting together the cabinet components, including attaching panels, installing drawers, and securing the door.

Step-by-Step Assembly Overview:

- 1. Prepare Components:** Lay out all numbered panels and hardware. Insert wooden dowels and cam bolts into their designated holes on the side and bottom panels.
- 2. Assemble Base Structure:** Connect the side panels to the bottom panel using camlocks and screws. Ensure all connections are secure.
- 3. Install Connect Bars:** Attach the connect bars between the side panels to reinforce the structure.
- 4. Attach Top Panel:** Carefully align and attach the top panel to the assembled structure, securing it with camlocks.
- 5. Assemble Drawers:** Construct the four drawers by attaching the front, back, and side panels using screws. Ensure smooth operation.
- 6. Install Drawer Stops:** Attach the stoppers to prevent drawers from sliding out completely.
- 7. Attach Cabinet Door:** Install hinges to the cabinet door and then attach the door to the main cabinet frame. Secure the magnetic catch inside the cabinet for proper door closure.
- 8. Insert Adjustable Shelf:** Place shelf pins into the desired height holes within the cupboard section and rest the adjustable shelf on them.
- 9. Secure Anti-Tipping Device:** Attach the anti-tipping device to the top rear of the cabinet and then to a wall stud to prevent accidental tipping.

Say Goodbye to Clutter

Keep your room neat and tidy

5. OPERATING INSTRUCTIONS

- Drawers:** The four pull-out drawers are designed for smooth operation. Use the cut-out handles to open and close them.
- Cupboard:** The single cupboard door features a magnetic catch for secure closure. Open by gently pulling the knob.
- Adjustable Shelf:** The shelf inside the cupboard can be adjusted to three different height levels to accommodate items of various sizes. To adjust, remove the shelf, reposition the shelf pins, and reinsert the shelf.
- Versatile Use:** This cabinet is suitable for storing toiletries, linens, towels, and other items in bathrooms, entryways, or living rooms. The wide top surface can be used for displaying decorative items.

6. MAINTENANCE

- **Cleaning:** The smooth, painted surface with a waterproof finish can be easily cleaned with a damp cloth. Avoid abrasive cleaners.
- **Hardware:** The metal hinges are rust-proof. Periodically check all screws and fasteners for tightness and re-tighten if necessary to maintain stability.
- **General Care:** Avoid prolonged exposure to direct sunlight or extreme humidity to preserve the material's integrity.

7. TROUBLESHOOTING

- **Wobbling Cabinet:** Ensure the anti-toppling device is correctly installed and secured to the wall. Check that all camlocks and screws are fully tightened.
- **Drawers Not Sliding Smoothly:** Verify that the drawer components are assembled correctly and that the drawer stops are not obstructing movement. Ensure the tracks are clear of debris.
- **Cabinet Door Not Closing Properly:** Check the alignment of the hinges and the magnetic catch. Adjust if necessary to ensure the door closes securely.

- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact Giantex customer support for assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	Giantex
Model Name	GT65930-HW
Color	Black
