## 5. OPERATING INSTRUCTIONS

---

The Bellemave Low Loft Bed is designed for ease of use and enjoyment. Here's how to make the most of its features:

- **Sleeping Area:** The top bunk provides a comfortable sleeping space for a twin-size mattress. Ensure the mattress fits snugly within the frame and below the top edge of the guardrails.
- **Ladder Access:** Use the integrated ladder to safely access the top bunk. Always face the ladder when climbing up or down.
- **Slide Usage:** The slide offers a fun way to descend from the bed. Ensure the area around the slide is clear of obstructions before use. Supervise children during slide use.
- **Under-Bed Space:** The spacious area underneath the loft bed can be utilized for various activities. It's perfect for a play area, a reading nook, or for storing toys and other items.

## 6. MAINTENANCE

---

Proper maintenance will ensure the longevity and safety of your Bellemave Low Loft Bed:

- **Cleaning:** Wipe down the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten as necessary to maintain structural integrity.
- **Slats:** Ensure all wooden slats are in place and undamaged. Replace any broken or cracked slats immediately.
- **Guardrails:** Verify that guardrails are always securely attached and free from damage.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, as this can cause wood to warp or fade. Maintain a stable room temperature and humidity.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your loft bed, refer to the following common problems and solutions:

- **Bed feels wobbly:**

- Check all assembly hardware (screws, bolts) and tighten any loose connections.
- Ensure the bed is placed on a flat, even surface.
- **Parts missing or damaged during assembly:**
  - Refer to the included parts list in your manual.
  - Contact Bellemave customer support for replacement parts.
- **Difficulty climbing the ladder:**
  - Ensure the ladder is securely attached to the bed frame.
  - Supervise younger children until they are comfortable and proficient in using the ladder.
