nanoblock NBC-347

nanoblock Electric Guitar Yellow Building Kit Instruction Manual

Model: NBC-347

Introduction

This manual provides comprehensive instructions for the assembly and care of your nanoblock Electric Guitar Yellow building kit. This kit is part of the nanoblock mini Collection series, designed for enthusiasts aged 8 years and up. Upon completion, the model stands approximately 5.12 inches (13 cm) tall and consists of 160 pieces. The assembly difficulty level is rated as 1 out of 5, making it an accessible entry-level kit.

Safety Information

WARNING: Product contains small parts considered to be a choking hazard. Not suitable for children under 3 years.
Always ensure that small pieces are kept out of reach of young children and pets. Adult supervision is recommended during assembly for younger users.

Package Contents

Your nanoblock Electric Guitar Yellow building kit package should contain the following:

- nanoblock - Electric Guitar Yellow, "Instruments" building blocks (160 pieces)
- Detailed step-by-step instruction manual (this document or included printed guide)

Please verify all pieces are present before beginning assembly. If any pieces are missing, refer to the support section.

Assembly Instructions

The nanoblock Electric Guitar Yellow kit is designed for straightforward assembly. Follow the detailed step-by-step instructions provided in your kit. nanoblock pieces are precisely manufactured, with bricks as small as 4mm x 5mm, ensuring a perfect fit when correctly assembled.

1. **Preparation:** Open the package and carefully lay out all nanoblock pieces on a clean, flat surface. It is helpful to sort pieces by color and size to facilitate the building process.
2. **Follow the Guide:** Refer to the included pictorial instruction booklet. Each step illustrates which pieces to use

and where to place them. Pay close attention to the orientation of each block.

3. **Layer by Layer:** nanoblock models are typically built layer by layer from the base upwards. Ensure each layer is securely connected before proceeding to the next.
4. **Detailing:** The kit allows for incredible detail. Take your time with smaller components to achieve the intended realism and delicate expressions.
5. **Completion:** Once all steps are followed, your nanoblock Electric Guitar Yellow model will be complete.

Care and Maintenance

To ensure the longevity and appearance of your nanoblock model, follow these simple care guidelines:

- **Cleaning:** Dust your model regularly with a soft brush or a can of compressed air. For deeper cleaning, gently wipe with a slightly damp cloth. Avoid harsh chemicals or abrasive materials.
- **Handling:** Handle the model with care, especially when moving it, to prevent pieces from detaching.
- **Storage:** Store the model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.

Troubleshooting

- **Missing Pieces:** If you discover missing pieces upon opening the kit, please contact nanoblock customer support (refer to the Support section) with details of the missing components.
- **Model Instability:** If the assembled model feels unstable, carefully re-examine the connections of the blocks, particularly at the base and critical joints. Ensure all pieces are firmly pressed together according to the instructions.
- **Difficulty with Small Pieces:** Due to the micro-sized nature of nanoblocks, some users may find assembly challenging. Using tweezers can assist in placing smaller blocks accurately.
