faroro PF22

Faroro Automatic Pet Feeder with Camera

Model: PF22 | Brand: Faroro

PRODUCT OVERVIEW

The Faroro Automatic Pet Feeder with Camera is designed to provide convenience and peace of mind for pet owners. This smart feeder allows you to manage your pet's feeding schedule remotely, monitor their activity with a high-definition camera, and interact with them using two-way audio. Its robust design ensures reliable operation, even during power outages.

Dimensions (LxWxH)	7.64 x 7.64 x 13.03 inches
Weight	3.23 pounds (1.47 kg)

SETUP GUIDE

1. Unboxing and Assembly

Carefully remove all components from the packaging. Assemble the feeder by attaching the food bowl to the main unit. Ensure all parts fit securely.

Figure 2: Internal view and secure lid mechanism.

2. Power Supply

Connect the feeder to a power outlet using the provided Type-C USB cable and power adapter. For backup power during outages, install three No.1 batteries (not included) into the battery compartment located at the bottom of the unit. Ensure the battery door is securely closed.

Back-up Batteries Design

Feeding pets consistently even home power outages

4. Filling the Feeder

Open the top lid of the feeder and pour dry pet food into the storage compartment. The feeder has a 4L capacity and is compatible with kibble sizes not exceeding 10mm (0.39 inches). A built-in desiccant bag helps maintain food freshness.

OPERATING INSTRUCTIONS

1. Scheduling Meals

Using the "Smart Life" app, you can program up to 8 meals per day. For each meal, set the desired time and the number of portions (1-10 portions, with each portion being approximately 10g). The app provides a real-time feeding record to track your pet's eating habits.

Figure 5: Set precise feeding times and portions for your pet.

2. Portion Control

The feeder allows precise portion control, ensuring your pet receives a consistent and healthy amount of food at each meal. This helps in managing their diet and preventing overfeeding.

With Portions Control

Provides pets with a healthier feeding

Without Portions Control

Figure 6: The feeder provides controlled portions for healthier eating habits.

3. Two-Way Audio and Personalized Meal Call

Utilize the built-in microphone and speaker for real-time two-way audio communication with your pet. You can also

record a personalized voice message that will play automatically at meal times, calling your pet to eat.

Customized Voice Message

Records voice calling its name when it's time to eat

Baby time to eat !

MAINTENANCE

1. Cleaning

To ensure hygiene and proper functioning, regularly clean the food bowl and the food storage compartment. The food bowl is removable for easy cleaning. Hand wash only. Do not immerse the main unit in water.

2. Desiccant Bag Replacement

The feeder includes a desiccant bag to keep the food fresh. Replace the desiccant bag periodically (e.g., every 1-2 months) to maintain optimal food freshness, especially in humid environments.

TROUBLESHOOTING

- **Feeder Offline:** Check your 2.4GHz WiFi connection. Ensure the feeder is within range of your router. Restart the feeder and the app.
- **Food Not Dispensing:** Verify that the food hopper is not empty and that the kibble size does not exceed 10mm. Check for any obstructions in the dispensing mechanism.
- **No Motion Alerts:** Ensure the motion detection sensitivity is set appropriately in the app (High, Medium, or Low). Check camera view for obstructions.
- **Camera Not Working:** Ensure the feeder is powered on and connected to WiFi. Check app permissions for camera access.
- **Voice Recording Issues:** Ensure microphone access is granted to the app. Re-record the message if necessary.
- **Low Food Sensor Alert:** This indicates the food level is low. Refill the food hopper promptly.

WARRANTY AND SUPPORT

The Faroro Automatic Pet Feeder with Camera comes with a **2-year warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use. Please retain your proof of purchase for warranty claims.

For technical support, troubleshooting assistance, or warranty inquiries, please contact Faroro customer service through the contact information provided on the product packaging or the official Faroro website. Our support team is dedicated to assisting you with any questions or concerns you may have.
