Figure 3.1: The modular design of the country house allows for flexible arrangement during assembly.

1. **Unpack Components:** Carefully remove all pieces from the packaging.
2. **Identify Parts:** Refer to the included assembly instructions and part list to identify each component.
3. **Assemble Main Structures:** Begin by assembling the main house and stable structures according to the step-by-step guide.
4. **Add Details:** Attach smaller elements such as the balcony, stairs, and furniture.
5. **Place Accessories:** Arrange the figures, horses, and various accessories within the house and stable to complete the setup.

The set is designed for modularity, allowing for different configurations of the house and stable sections.

4. Operating and Play

This play set is designed to encourage imaginative and creative play for children aged 5-12 years. The detailed figures and accessories allow for a variety of scenarios involving horse care, family life, and equestrian adventures.

Figure 4.1: The play set provides a rich environment for storytelling and interaction.

- **Character Interaction:** Use Hannah, Mrs. Kramer, Mr. Kramer, and the horses Cayenne and Jupiter to create stories.
- **Stable Activities:** Engage in horse grooming, feeding, and training within the stable area.
- **House Activities:** Utilize the various rooms and furniture in the country house for daily life scenarios, such as cooking, sleeping, and relaxing.
- **Outdoor Play:** The paddocks and well allow for outdoor horse activities.

The fully articulated figurines enhance playability, allowing for dynamic posing and interaction with the environment.

5. Maintenance

To ensure the longevity of your Schleich Horse Club Lakeside Country House and Stable Play Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down all plastic components with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Ensure all parts are completely dry before storing to prevent damage.

- **Storage:** Store the play set in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically inspect all parts for any signs of wear or damage.

6. Troubleshooting

This section addresses common issues that may arise during the use of the play set.

6.1. Missing or Damaged Parts

If you discover any missing or damaged parts upon opening the package or during assembly:

- **Check Packaging Thoroughly:** Small parts can sometimes be overlooked in the packaging materials.
