Maintenance

To ensure the longevity of your Schleich Horse Club playset, follow these maintenance guidelines:

- **Cleaning:** Wipe figurines and playset components with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these may damage the paint or material.
- **Storage:** Store the playset in a dry, cool place away from direct sunlight to prevent fading or material degradation. Keep small parts in a designated container to avoid loss.
- **Handling:** Handle all figurines and accessories with care to prevent breakage. While durable, excessive force can cause damage.

Troubleshooting

If you encounter any issues with your playset, consider the following:

- **Missing Parts:** If any parts are missing upon unboxing, please refer to the 'What's in the Box' section and contact Schleich customer support with your product model number and purchase details.
- **Assembly Difficulties:** Ensure you are following the assembly steps correctly. Some parts may require a gentle but firm push to connect. Do not force parts together if they do not fit, as this may cause damage.
- **Figurine Stability:** If figurines do not stand properly, ensure they are placed on a flat, stable surface. Small adjustments to their posture may be necessary.
