OPERATING AND USAGE

This patio lounge set is designed for outdoor use. The modular design allows for various configurations to suit your space and preferences.

- Arrange the individual seating units (middle chairs and corner pieces) to form your desired sectional layout.
- Use the coffee table for beverages, books, or decorative items.
- Ensure cushions are properly seated on the frames for comfort and stability.

MAINTENANCE

Proper care will help extend the life and appearance of your patio lounge set.

Acacia Wood Frame

- **Cleaning:** Wipe the wood frame with a dry cloth to remove dust and dirt. For deeper cleaning, use a mild soap solution and a soft brush, then rinse thoroughly and dry immediately.
- **Oil Finish:** The acacia wood has an oil finish. To maintain its appearance and protect the wood, re-oil the furniture regularly (e.g., once or twice a year, depending on exposure to elements) with a suitable wood oil for outdoor furniture.
- **Protection:** During harsh weather conditions (heavy rain, snow, strong sun), it is advisable to cover the furniture or store it indoors to prevent damage and fading.

Cushions

- **Cleaning:** The cushion covers are removable. Spot clean with a mild soap and water solution. For more thorough cleaning, hand wash or machine wash on a gentle cycle with cold water. Air dry only; do not tumble dry.
- **Storage:** Store cushions indoors during inclement weather or when not in use for extended periods to prevent mildew and fading.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Furniture feels wobbly	Loose hardware or uneven surface	Tighten all screws and bolts. Ensure furniture is on a flat, level surface.
Wood appears dry or faded	Lack of re-oiling or prolonged sun exposure	Clean the wood and apply a suitable outdoor wood oil. Consider covering the furniture when not in use.
Cushions show signs of mildew	Exposure to moisture and lack of ventilation	Clean cushions thoroughly with a mildew remover. Ensure cushions are completely dry before storing. Store indoors during wet weather.
