SETUP

Initial Charge

Before first use, fully charge your headphones. Connect the provided USB-C charging cable to the charging port on the headphone and plug the other end into a compatible USB power source. The LED indicator will show charging status.

Bluetooth Pairing

1. Ensure your headphones are powered off.
2. Press and hold the Power button until the LED indicator flashes, indicating pairing mode.
3. On your device (smartphone, tablet, computer), navigate to the Bluetooth settings.
4. Select "Raycon Everyday Headphones" from the list of available devices.
5. Once connected, a voice prompt will confirm successful pairing.

The headphones support Bluetooth 5.0 with a range of up to 33 feet.

OPERATING INSTRUCTIONS

Controls

Button/Control	Function
Power Button (Middle)	Press and hold to Power On/Off. Short press to Play/Pause music.
Volume Up (+)	Short press to increase volume. Long press for next track.
Volume Down (-)	Short press to decrease volume. Long press for previous track.

Button/Control	Function
ANC/Awareness Mode Button	Short press to toggle between Active Noise Cancellation, Awareness Mode, and Normal Mode.

Active Noise Cancellation (ANC)

Activate ANC to minimize ambient noise, allowing for an immersive audio experience. This mode uses audio-neutralizing algorithms to cancel out external sounds.

Image: Diagram illustrating the Active Noise Cancellation feature of the headphones.

Awareness Mode

Switch to Awareness Mode to allow some ambient sound to pass through, keeping you aware of your surroundings while still enjoying your audio. This is useful for safety in urban environments or when needing to hear announcements.

Making/Receiving Calls

The built-in microphone allows for clear hands-free calls. Use the Power button to answer or end calls. Your phone's volume controls will adjust call volume.

Your browser does not support the video tag.

MAINTENANCE

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in a cool, dry place. The foldable design allows for compact storage.
- **Water Resistance:** The headphones are IPX4 water-resistant, meaning they are protected from splashing water from any direction. Do not submerge them in water.

TROUBLESHOOTING

Problem	Solution
Headphones won't turn on.	Ensure the headphones are fully charged.
Cannot pair with device.	Ensure headphones are in pairing mode (flashing LED). Turn off and on Bluetooth on your device. Forget device and re-pair.

Problem	Solution
No sound or low volume.	Check headphone and device volume levels. Ensure headphones are connected to the correct device. Try re-pairing.
ANC not working effectively.	Ensure ANC mode is activated. Check for proper fit over ears to create a good seal.
